

# Learning at Home

**I like school.**

**I like my teachers.**

**I like my friends.**

**I want to go to school,  
but school is closed.**

**I am sad but that's ok.**

**I can have fun  
learning at home.**

**I will do my work at  
home every day.**

**After I do some work,  
I can take a break.**

**I will stay at home until  
school opens again.**
