For Students

- Sing and move along with all of the songs as directed. You may need to hear/watch each song/video a few times to learn it.
- Participate fully. The more you move, the more you will remember, the more you create, the more you will remember, and the more you sing, the more you will remember! If you have a recorder at home, this is a great time to practice using the recorder section (in the left menu).

Additional Resources

- Use the recorder tab in the menu to practice your recorder. Instructional videos are on the right side of the recorder page if you need a review.
