

Behind you, *all your memories*  
Around you, *all who love you*

Before you, *all your dreams*  
Within you, *all you need*

*Alex* ...so many wonderful memories ... from the time you were a baby until today, as you prepare to graduate from Ancillae ... Time, now, for you to move on and follow all your dreams ...

We are so proud of all you have accomplished and look forward to what the future holds for you!

As you begin high school at Dock Academy ...  
Work hard, have fun, and always remember ... in a world where you can be anything ... Always be kind!

Love Always, Dad, Mom & Spencer
