Objectives

Objective / I Can:

- Solve quadratic equations by factoring

Activities

Student Activities: (Resources, videos for students to use.)

[Khan Academy](#) work for the week of April 14- April 17

- Solving quadratics by factoring video (6 minutes)
 - Solving quadratics by factoring article
 - Quadratics by factoring intro exercise (4 questions)
- Solving quadratics by factoring: leading coefficient $\neq 1$ video (4 minutes)
 - Quadratics by factoring exercise (4 questions)
- Solving quadratics by factoring review article

Middle School Algebra Outreach Learning
April 14 - 17, 2020

Academic/Instructional Support

Schedule :	Students should begin work on Tuesday, 4/14 and should be completed no later than Monday, 4/17 at 8 a.m. This assignment should take less than 2 hours to complete.
Office Hours:	Wednesdays 9 – 11 a.m. & Fridays 1 – 3 p.m. Please email me anytime, and I will get back to you as soon as I can.

To Be Graded

Assignment for students to submit:

- Quadratics by factoring intro exercise (4 questions)
- Quadratics by factoring exercise (4 questions)

When is it due? All assignments are due no later than Monday, April 17th at 8:00am.

What assignments will the student submit?

1. Quadratics by factoring intro exercise (4 questions)
2. Quadratics by factoring exercise (4 questions)

How will it be submitted?

All assignments are to be submitted electronically via Khan Academy, except by individual arrangement.
