

April/May 2020

Dear 2nd Grade Students and Parents,

I hope that you and your families are well and staying healthy. **Tracy Unified School District is requiring that all teachers assign weekly work to all students during the period of April 6, - May 15, 2020. Students should take approximately 2-3 hours a day to complete assigned work. Please keep in mind that these assignments will be graded and reflected in Trimester 3 final report cards for the 2019-2020 academic school year.** Students will be provided work either digitally or hard copy packets. If you choose to have a packet, you will need to pick it up and drop off at South West Park Elementary on designated dates.(SWP Parents Pick Up Work: 4/9 @ 9:30 – 4:30)

If your child needs 1 on 1 support or you have questions about an assignment or how to access required work please reach out. I am available via email at jortega@tusd.net and can meet with you virtually using the Zoom.us platform. Through email, I can send you an invitation to have a conference or a support session for any assignment. Ask me for more details if needed. **I am also providing a Google Classroom platform where I am assigning work digitally to students who prefer to work digitally and have computer and internet access.** If you already have a google account, you may use that. If not, you will need to provide your email address but it does not need to be a Gmail address. **You can access my Google Classroom using the link classroom.google.com Please use Classroom Code: **tgldij7**.** Let's work together to make this a smooth learning transition for all of us.

My office hours are Monday-Friday from 8a.m-10a.m. I will try my best to answer your questions within 24 hours and get your child the support he/she may need as soon as possible.

Assignments are as follows:

Hard Copy Components (Pick up at SWP school site on designated dates)

- Daily Journal Entry
- Reading Log /Complete a summary of what you read
