### A note from the counselors...

Happy Easter Week! We know Easter will be different this year without large family celebrations, seeing all our loved ones, and attending in-person Mass. Here are some ideas of how we can continue the celebrations at home:

- Tune into a church service. Many churches have made their services available online.
- Still wear that beautiful Easter outfit! Shake up the quarantine routine :-)
- Schedule a virtual hangout with family or friends.
- Send Easter cards to loved ones near and far. Nothing beats a homemade greeting!
- Dye Easter eggs with food coloring and have an egg hunt in the backyard.
- Make a classic Easter recipe- it's an easy way to keep traditions alive!
- Establish a new Easter tradition. Try not to focus on how the holiday is different this year, and use your at-home Easter as an opportunity to get creative.

### Easter Traditions in The Res Community..

## Reminders of Good Zoom Etiquette

- ❑ Be sure to mute your mic when you are not speaking. This prevents background noise and distractions for other learners.
- ❑ Please do not stare at your phone while teachers are presenting or others are talking.
- ❑ Be presentable. Video conferencing on your bed and wearing pajamas is fine, but avoid laying down. Sitting up is the better option!
- ❑ Smiling and laughing during Zoom is strongly encouraged. Be active participants!
- ❑ Be on time- if you're going to be late, let the teacher know ahead of time.
- ❑ Do not share the meeting links with others.
- ❑ When in doubt, ask yourself: *Would I do this in class?* And if the answer is no, don't do it on Zoom!
