Week 8 - Scratch

Submit Assignment

Due Wednesday by 11:59pm   **Points** 0   **Submitting** a file upload

Remember it is NOT cool to create an account without parental permission if you under 13 years of age (ask Mrs. Roche about a little thing called FERPA sometime).
We have parental permission from a form parents signed on myDSD, so this is okay.

Follow Mrs. Roche's instructions and examples in class.

1) Go to Scratch

2) Create a username using YOUR school username (example: 22nroche) and school password.

3) Fill in your birth month, the birth year, gender, and country.

4) Put in **YOUR EMAIL** for the parent/guardian email.

5) Confirm you have successfully created an account.

For Computers:	For iPads:
6) Once in Scratch, open a **NEW TAB**. 7) Go to **OFFICE 365**	5) While in Scratch, **take a screenshot** using the

press CTRL + C). You can also use the **SNIP TOOL.**

12) Go back to the Word document and **press CTRL + V**

13) Return to Canvas

14) Click **Submit assignment.**

15) Select **Office 365** (You may have to log in and give permission).

16) **Select** the appropriate folder and assignment.

17) **Attach** the document to this assignment

18) Press the **SUBMIT** button
