April 14, 2020

Academic/Instructional Support

Schedule: —————→

Students should begin work on Tuesday, 4/14 and should be completed no later than Monday, 4/20 at 8 a.m.

Office Hours: (see below)

Wednesday - 9 – 11 AM

Thursday - 1 – 3 PM

* We are transitioning to a 4-day workweek. Math will be completed on Tuesdays with any work not completed to be worked on Thursday. If you are requiring help with your assignments, please get started early so you can get the help you need.

To Be Graded

Assignment for students to submit:

1. Lesson One:

The student's will go to "Quizizz.com" and enter the game code for their class period. The students will be graded on the average of their first two completions. **The teachers will have access to each individual class period's scores, and there will be no further submission needed by the students once the quiz is completed.** All questions on the form are required to be answered before submission

2. Lesson 2:

The student's will go to "Quizizz.com" and enter the game code for their class period. The students will be graded on the average of their first two completions. **The teachers will have access to each individual class period's scores, and there will be no further submission needed by the students once the quiz is completed.** All questions on the form are required to be answered before submission

When is it due?

The targeted due date, for both the assignment and quiz, is April 20, 2020 by 8am. If you are still awaiting access to an electronic device or accessed an electronic device late in the week, more time will be given. **Please communicate with your teacher.**

How will it be submitted?

Electronically, except by individual arrangement.
