

Wellesley Class of 1973

Dear '73 classmates,

I'm reduced to begging yet again for input for the next round of class notes, which I must send to the college on Dec. 1. Please shower down 50-to-75-word contributions, especially if we haven't heard from you since graduation (I promise you top billing!) or in the last year. Has something interesting happened? Are you bored? Overworked? And if you've found the key to aging gracefully, vigorously, and/or with spirit, let us all know! Please reply to 1973notes@alum.wellesley.edu.

Thanks in advance,
Paula Butturini, class secretary
