

## Wellesley Class of 1973

Dear Classmate,

Thank you for your early registration for our upcoming Class of '73's 45th Reunion June 8 - 10. We can't wait to welcome you back to campus for a weekend of renewal and reconnection!

An email was sent to our class on Friday which may have led you to think you are not registered but, in fact, you are. Friday's email was sent to you in error. You need not do anything further, except join your classmates on Wellesley's beautiful campus June 8 - 10.

Please email us if you have any questions.

*Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.*
