Reunion offers each of us a time to refresh and renew what is set aside or overlooked all too often. New friendships are made and our perspectives enriched through conversations with classmates we know and those who are new to us. The weekend's program includes events just for us plus there will be fascinating lectures for all classes by Wellesley's faculty. Across Wellesley's beautiful campus, you will visit the new, along with beloved and familiar, spaces. A highlight will be meeting Wellesley's fabulous new president, Paula Johnson. All in all, it's a weekend not to be missed!

More exciting news!! Our link to the our 45th Reunion Record Book is now working! URL is <https://1973.alum.wellesley.edu/article.html?aid=110> once you login to the WCAA website. A big thank you to Betsey Maupin and Robin Farabaugh, Record Book Co-chairs and Kathy Tyler Conklin, Social Media Chair for setting up the link on our class website.

Please email us with any questions.

Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.
