

Wellesley Class of 1973

MAYDAY for my May Day deadline! The class notes cupboard is emptying fast, and my **May 1st deadline** is fast approaching. If you haven't contributed in a while and have any news, big or small, please send me 50-75 words. Please, no more than 75 since my editors count every word (including "a" and "the"), and each class gets only 500 words per issue. My request: write tight, write today. And thanks in advance.

Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.
