

## Wellesley Class of 1973

Help, please, '73 classmates,

My class notes cupboard is nearly empty and before I know it, the next batch of notes will be due. If we haven't heard from you in a while, please take a few minutes and send me 75 words or less on what you've been up to recently (or what you've been doing since graduation if you've been too busy or too shy to write since!).

Thanks for your help,

*Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.*
