

# **EDISON TOWNSHIP PUBLIC SCHOOLS**

## **REMOTE LEARNING**

### **SCHEDULES AND GRADING PRACTICES**

#### **Marking Period 4 begins April 13**

**Middle School/High School**--Today, April 3rd is the last day of the third marking period. Please review the grading practice for [secondary](#) school students for this marking period which is in effect for marking period three only. As marking period four begins, assigned student work will be graded in accordance with our past practices.

Beginning Monday, April 13, all secondary students will follow a new schedule. This schedule allows staff time to plan and deliver more meaningful lessons and affords students ample time to complete all assigned work in a more expeditious manner. Please review the [secondary schedule](#) with your child.

**Elementary School**--In grades 1-5, students' grades prior to March 13 (the beginning of our remote learning program) will be used for marking period 3 report cards. Comments regarding remote learning since March 13, will be included on the narrative portion of the report card. For marking period 4, all elementary students will not receive traditional grades, but instead, will be evaluated on a rubric based on completion of the remote learning assignments.

In addition, an activity day/catch up day is planned for every Wednesday starting April 15, until remote learning concludes. Your child's teacher will send you the assigned activities for these days.

As always, if your child is struggling, please contact your child's teacher or counselor.
