

<p>Draw a diagram including explanations to show the forces at work in a tug of war. Have a go at a tug of war with your family.</p>	<p>Create a sea themed collage of the local area but inspired by Oliver and the Seawigs. You could look at the work of Andy Goldsworthy for ideas of nature themed artwork.</p>	<p>Make a 3D model of an interesting building in the local area. This could be any important building or landmark in Hastings or St Leonards. Create a fact file about this building.</p>
<p>Cook or bake a local dish with your family. Write out the list of ingredients needed (remember to include measurements) and the instructions to create your meal. Take pictures if you can!</p>	<p>Find ten examples of forces in action around your home e.g. pulling the curtains. Design a poster, power point, take pictures or draw diagrams to present your forces.</p>	<p>Create your own mysterious island setting, just like the ones in Oliver and the Seawigs. Write a description of the setting to help the reader build up a picture of your island in their head</p>
<p>Plan to go on your own adventure to explore somewhere in the local area that you have never been before with your family - where will you go? What will you need to take? What will you do when you get there?</p>	<p>Make up a game for 7 year olds using forces (push, pull & twist). Provide written instructions for playing.</p>	<p>Find out about a famous person that came from Hastings or St Leonards. Create a fact file about them and why they are famous.</p>
<p>Find someone you know that has lived in Hastings or St Leonards for a long time and interview them. Ask them how life and the area has changed over time.</p>	<p>Make a poster or leaflet to advertise the current facilities in the local area. Do you or your grown ups know any that used to be here that no longer exist?</p>	<p>Design and make your own seawig. Try to use a range of resources and think about what seaside accessories you will add to make it interesting!</p>

YEAR 3 HOME LEARNING – TERM 5

Hastings Then and Now

This term your home learning is based on how Hastings has changed over time as well as the science topic; forces. You need to complete enough activities to gain a minimum of 15 points. **Oliver and the Seawigs is free to listen to on Amazon!**

Here are some ideas for how you could present our work in your home learning scrapbook:

- Photographs
- Comments from family or friends
- Drawings
- Typed work
- Tickets or diary entries from places you have visited

Remember to take care with each piece of work. This scrapbook is going to showcase your fantastic home learning. We look forward to seeing all of your fantastic pieces of learning!
