

Dear Incoming Kindergarten Family,

Welcome to The Nueva School!

As the School Nurse, it is my role to work with you and assist you to ensure that your child meets all mandated requirements to enter Kindergarten for the 2020-2021 school year.

The **Report of Health Examination for School Entry (ROH)** form is mandated by the California Health and Human Services Agency. California law requires each child to have a health examination report for school entry. This report consists of a health examination and an up-to-date immunization record. Please take the attached ROH to your child's pediatrician who will need to complete, date and sign the form. If your child has had a recent physical exam, your pediatrician may be able to complete the ROH without requiring another visit, provided your child's immunizations are up to date. You will need to check with your child's health care provider regarding their process for completing school forms. **A completed ROH is required even if your child's immunizations are current.**

The pediatrician's office can then fax the form and a copy of your child's immunization records directly to **The Nueva School Nurse** at **650-348-3642** or scan and email the forms to [nurse@nuevaschool.org](mailto:nurse@nuevaschool.org). The forms will be reviewed, and we will contact you if any required immunizations are missing. Please remember to maintain a copy for the forms for your personal records.

**The deadline to receive the completed Report of Health for School Entry is Tuesday, June 30, 2020.**

We understand that it may be challenging to schedule an appointment with the pediatrician at this time. Please email [nurse@nuevaschool.org](mailto:nurse@nuevaschool.org) to keep us informed of the date of your child's appointment if an extended deadline is needed.

**A record of your child's up-to-date immunizations must be on file in the Admissions Office no later than August 19, 2020 for your child to be eligible to be on campus for the 2020-2021 school year.**

Please let me know if you have any questions, [nurse@nuevaschool.org](mailto:nurse@nuevaschool.org) or 650-350-4521.

Warmly,

*Saskia Chan*

The Nueva School Nurse

*Beginning January 1, 2016, the school will no longer accept personal belief exemptions, unless otherwise required by law, for new students, students entering kindergarten or returning students entering the 7th grade. The school will continue to accept medical exemptions under the following conditions: (1) a parent or guardian files a written statement by a licensed physician that the student's physical condition is such, or medical circumstances relating to the student are such, that immunization is not considered safe; and (2) the physician's statement indicates the specific nature and probable duration of the medical condition or circumstances, including family medical history, for which the physician does not recommend the student be immunized. If the foregoing conditions are met the student will be exempted from vaccination to the extent recommended by the physician.*
