

# THE NUEVA SCHOOL

Dear New Nueva Families,

Congratulations on your child's acceptance, and welcome to The Nueva Middle School! We are thrilled that you and your child chose to join the Nueva family, and the middle school faculty extends a warm welcome to our school community.

As you will quickly discover, middle school is a dynamic educational time that not only stimulates the minds of our gifted learners but also nurtures their hearts. We emphasize integrated studies, social-emotional learning, and creativity, and are dedicated to creating a program that challenges, excites, and engages our students every day. We want our students to pursue their passions, learn from a dynamic faculty, and spend each day with a talented, intellectually curious peer group. We know as a Nueva student, your child will soak up all of the learning that takes place in academic classes, electives, academies, and on school trips. We look forward to getting to know you and your child and hope you will quickly feel at home here.

We will continue to keep you informed about upcoming events as you transition to becoming Nueva parents.

For now, please find the first round of information for a smooth transition enclosed.

Best Wishes,  
The Middle School Team
