

Chicago Wellesley Club

Dear [first_name],

These are distressing times and we hope you are holding up well, remaining safe and healthy for as long as this emergency lasts.

Our website is getting a fresh look! The Wellesley College Alumnae Association (WCAA) is rolling out a new platform for all WCAA websites and communications in a few days. Our URL will automatically redirect to the new site that promises to be streamlined and easy to use.

The rapidly evolving nature of the COVID-19 situation has led us to change the format of CWC Celebrates! (and Annual Meeting) from an in-person event to a virtual event conducted electronically.

CWC Celebrates! (and Annual Meeting)

***Still on May 2nd, 2020, but we're moving
the celebration online***

In these stay-at-home days, what better way to spend time than reconnecting with friends, meeting new people, and learning from a great professor about a relevant topic! So join from your couch, your favorite armchair or sitting at your dining room table as we enjoy:

- A look back at some of our favorite moments from 2019
- Wellesley Professor Jennifer Chudy presenting on "Race in Politics", with Q&A
- Conversation with fellow alums

Meeting details:

- Date: May 2nd
- Time: 11:00am - 12:30pm

We'll send a follow-up and ask for your RSVPs in mid-April, once the new alumnae system has been rolled out.

On the day of the meeting you will simply click this link to join the Zoom meeting for the visual presentation:

Board Member Election and Other Business

Extraordinary times require flexibility! This year, the annual election of board members and a special ratification of revised Articles of Incorporation will be conducted electronically towards the end of April. Look for an email mid-April that will provide background information and instructions for casting your electronic vote. Results will be announced at Wellesley Celebrates! (and Annual Meeting) on May 2.

Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.
