

Dear [first_name],

We wanted to take the time to recognize and thank our very generous donors. We sincerely appreciate your contributions to the Wellesley Club of Los Angeles. Because of your donations, we are able to host special activities, professor lectures, admissions events, and social gatherings throughout the year to ensure our Wellesley community in LA remains strong and connected, both to each other and to Wellesley.

For alums who have not yet contributed, it's not too late! Simply click here to contribute and become a member today.

Also, please note that we have an upcoming event, Wellesley in Hollywood, today from 2-4PM (see below). No RSVP is required. We hope you can make it!

Warmest wishes,

PANEL: Wellesley in Hollywood

2 days away
2:00PM - 4:00PM Sun 24 Apr 2016

We invite you to join the Wellesley Club of Los Angeles for a panel discussion on alumnae in the film and television industry hosted at USC's School of Cinematic Arts.

Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.
