Social Media Update

The Wellesley Club of Los Angeles has migrated our Facebook presence from the WCLA Fan Page to a closed private Group in order to provide a more interactive space for our Los Angeles network. The group will be a forum for both WCLA members and non-members to post questions, suggestions, images and events.

This change is the result of suggestions from our members and in-line with the best practices of clubs in other cities. The board of the WCLA will also now utilize this page to share events sponsored by the Club.

We will remove the Wellesley Club of Los Angeles Fan Page on October 1, 2016.

Please invite your classmates and friends!
