**About the Los Angeles Regional Food Bank**

One in eight people in Los Angeles County experiences food insecurity.  
The mission: To mobilize resources to fight hunger in our community.

**About Day to Make a Difference**

Days to Make a Difference (D2MAD) are invitations for Wellesley alumnae  
(as well as students, faculty and staff)  
to experience community service with a local organization  
and are intended to act as the catalyst for conversations  
about what it truly means to be a woman who will make a difference in the world.

Every woman can—and should—make a meaningful contribution to her world. There is a growing recognition that women's empowerment and leadership are crucial to their own advancement, and to worldwide societal change. Wellesley and its alumnae have supported and championed women's intellectual and social development and autonomy for over 100 years.
