# Zentangles

A zentangle is creating a visual pattern with the repetition of line and shape. It is used often as a form of meditation. Here is a quick video to help you get started.

These are traditionally done with a black pen and pencil, but use whatever you have and draw on whatever you would like. You could use the reverse side of a cereal box, a blank side of a letter, an envelope to draw on. You can use ballpoint pen or marker or pencil to draw with. If you have a drawing app on a phone or tablet you could use that as well.

# PHOTO CHALLENGE CARDS - PG 1

## SOCIAL DISTANCING EDITION

JUST BECAUSE YOU NEED TO KEEP YOUR DISTANCE FROM OTHERS AND STAY NEAR HOME DOESN'T MEAN YOU CAN'T MAKE GREAT INSPIRING ART! THE EXTRA TIME IS A BLESSING. USE THESE CARDS TO GET INSPIRED WHILE HOME FROM SCHOOL.

Take out your junk drawer, and create a photograph inspired by what you find.

Go to your basement. Use items you find to set up a scene (like a movie set). Take photos of yourself or others interacting with the space. NOTE: BE SURE TO LIGHT YOUR SCENE!

Find 20 objects in your house that have the same shape -or- color. Create a photograph inspired by what you find.

Create fashion designs out of non-clothing items in your house. Set up a fashion shoot to capture your unique outfits and accessories.

Build a fort in your house and take photos with yourself or others interacting with it.

Compose 1 photo in every room of your house. Pick a different emotion for each room. Use lighting, color, object placement, and models to tell different stories.

Take photos of your breakfast, lunch and dinner, trying to make them look as visually appealing or interesting as possible.

Use your back yard to create a strange, scary or mysterious scene. Show just enough to get people thinking, leaving a lot of unanswered questions.

**SHARE WHAT YOU MAKE! POST ONLINE WITH #CORONAPHOTOCHALLENGE**
