

OAK HILLS EAGLEGRAM

April 13, 2020

From the Administration

Hello Oak Hills Eagles!

I miss seeing everyone at school! It is so strange walking the halls and not hear your voices and the teacher's voices. I miss the laughter and sounds of learning. I miss you telling me jokes and getting to hear about your day. I miss seeing you in class and asking you what you are learning. This has been hard on all of us. I know this will pass and we will be together again. Until then, the learning will take place remotely.

Students, this isn't the ideal way that we want to be teaching, but this is how we need to go forward. I know you are doing what your parents and teachers are asking you do to. Please follow their direction. You can do this! I believe in you!

Parents, thank you for your patience, your willingness and your desire to help in this situation. If I could wave a magic wand and have all this disappear and be normal again, I would. Together, we have learned new things and have become better people because of it. We couldn't do this without you. Again, thank you!

Sincerely,

Mike Page, Principal

Teacher Parade!!!

We will be having a Teacher Parade THIS FRIDAY, April 17th. The parade will start at Oak Hills and make its way through our school boundaries*. We ask that you come out onto your drive-way and wave at us, and please follow all social distancing protocol. We can't wait to see you all!!!

*A map of the route will be sent on Thursday

Did you know?

If you have any **educational concerns** for next year, please email Mr. Page directly as soon as possible.

We have been so lucky to have our amazing Lunch Manager and Staff continue to provide lunches to our students. However, **this is the last week that lunch will be provided at Oak Hills.** If your child would like to have school lunch, they will need to go to Hannah Holbrook between 11-12 for the Grab-n-Go lunches. This will begin Monday, April 20th.

== MENU ==

M- Anytime Pizza

T- Chicken Hot Dog

W – Hamburger Rib

Th – Corn Dog

F – Peanut Butter and Jelly
