

WISEBURN UNIFIED SCHOOL DISTRICT

MODIFIED MEETING PROCEDURES

As per Executive Order N-29-20 from Governor Newsom, the Wiseburn Unified School District Board of Education meetings will move to a virtual/teleconferencing environment using Zoom.

The purpose of the Governor's executive order is to control the spread of Coronavirus (COVID-19) and to reduce and minimize the risk of infection by "limiting attendance at public assemblies, conferences or other mass events."

The Governor's executive order on March 12, 2020, already waived the requirement for a majority of board members to physically participate in a public board meeting at the same location.

The intent is not to limit public participation, but rather to protect public health by following the recommendations given by the Governor of California and the Los Angeles County Department of Health on March 12, 2020, that public gatherings should be held only in venues that allow social distancing of six feet per person.

Beginning with the April 16, 2020 Board meeting and until further notice, Wiseburn Unified School District Board meetings will be held teleconferenced. Public comment will be accepted via this link. Please copy and paste this link into your web browser and your comments will be recorded and (if desired) read into the record during the Public Comments section of the Board meeting. Comments will be collected until 2:00 p.m. the day of the Board meeting.
