The Bonds may be issued in one or more series.

Section 2. The Bonds shall be issued as fully registered bonds in book-entry form only in such denominations as shall be determined by the Treasurer, but not exceeding the principal amount of Bonds maturing on any one date; shall be numbered consecutively from R 1 upward, as determined by the Treasurer provided, however, that any Bonds sold as Capital Appreciation Bonds (as defined below) may be numbered separately; and shall have such final terms as shall be determined by the Treasurer and set forth in the Certificate of Fiscal Officer provided for in Section 4 herein.

Section 3. The Treasurer is hereby authorized and directed to execute on behalf of the School District a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Resolution,

## REGULAR MEETING June 14, 2018

shall be as determined by the Treasurer. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the “Interest Payment Dates”), the purchase price for the Bonds (which shall be not less than 97% of the aggregate principal amount thereof), the maturity schedule for the Bonds (provided that the maximum maturity date of the Bonds shall not exceed 30 years), the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 6.000% per annum), the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Resolution as the Treasurer shall deem appropriate.

Section 4. The Bonds shall be issued with interest payable semiannually on each Interest Payment Date until the principal sum is paid or provision has been duly made therefor (the “Current Interest Bonds”) or with interest compounded on each Interest Payment Date but payable only at maturity (the “Capital Appreciation Bonds”) in such proportions as shall be set forth in the Certificate of Fiscal Officer. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months unless otherwise determined by the Treasurer. Unless otherwise determined by the Treasurer, the Current Interest Bonds shall be in the denominations of \$5,000 or any integral multiple thereof, and the Capital Appreciation Bonds shall be in the denominations on the date of their issuance and delivery equal to the principal amount which, when interest is accrued and compounded thereon, beginning on the date of delivery to the Original Purchaser (as defined hereinbelow), and each Interest Payment Date thereafter, will equal \$5,000 or any integral multiple thereof at maturity.

Section 5. The Current Interest Bonds shall be subject to optional and mandatory redemption prior to stated maturity as provided in the Certificate of Fiscal Officer. If optional redemption of the Current Interest Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Current Interest Bonds of the same maturity will take place, the Current Interest Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined hereinbelow) prior to the selection of the Current Interest Bonds to be redeemed at par on the same date.

When partial redemption is authorized, the Bond Registrar shall select Current Interest Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Current Interest Bond so selected shall be in the amount of \$5,000 or any integral multiple thereof (unless otherwise determined by the Treasurer).

The notice of the call for redemption of Current Interest Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Current Interest Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Current Interest Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of the Current Interest Bonds to be redeemed at the address shown in the Bond Register (as defined hereinbelow) on the 15th day preceding the date of mailing. Failure to receive such notice of any defect therein shall not affect the validity of the proceedings for the redemption of any Current Interest Bond.

Section 6. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Resolution. The Bonds shall be executed by the President of the Board (the “President”) and by the Treasurer in their official capacities, provided that either or both of their signatures may be a facsimile, electronic, or digital signature. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Resolution and is entitled to the security and benefit of this Resolution. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Treasurer on behalf of the School District. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

Section 7. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the “Record Date”) (unless such date falls on a non business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called “Defaulted Interest”) shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the “Special Record Date”) to be fixed by the Bond Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder’s address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 8. The Treasurer is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent (collectively, the “Bond Registrar”) for the Bonds or to execute on behalf of the Board a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Treasurer and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as Bond Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Treasurer in such officer’s discretion shall determine that it would be in the best interest of the School District for such functions to be performed by another party, the Treasurer may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond

Registrar. So long as any of the Bonds remain outstanding, the School District shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions hereof, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the School District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The School District and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the School District shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. The exchange or transfer shall be without charge to the owner; except that the School District and the Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the School District, evidencing the same debt, and entitled to the same benefits under this Resolution, as the Bonds surrendered upon that transfer or exchange.

Section 9. For purposes of this Resolution, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book entry and (ii) physical Bonds in fully registered form are issued only to a Depository or its nominee as registered owner, with the Bonds "immobilized" in the custody of the Depository, and the book entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Resolution: (i) there shall be a single Bond of each maturity; (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Resolution.

The Bond Registrar may, with the approval of the School District, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Resolution, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and the School District. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the School District. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Resolution.

If requested, the Treasurer, the Superintendent of the School District (the "Superintendent"), or any other officer of this Board is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the School District, an agreement among the School District, the Bond Registrar and a Depository to be delivered in connection with the issuance of the Bonds to such Depository for use in a book-entry system. The School District may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as the Depository for the Bonds for use in a book-entry system, the School District and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Resolution. If the School District and the Bond Registrar do not or are unable to do so, the School District and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and

REGULAR MEETING

delivering definitive Bonds), if the event is not the result of action or inaction by the School District or the Bond Registrar, of those persons requesting such issuance.

Section 10. There shall be and is hereby levied annually on all the taxable property in the School District, in addition to all other taxes and outside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

Section 11. The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the premium, if any, and interest on and principal of the Bonds when and as the same fall due. Notwithstanding the foregoing, if the School District determines that funds will be available from other sources for the payment of the Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the School District shall appropriate such funds to the payment of the Bonds in accordance with law.

Section 12. The Bonds shall be sold to such purchaser or purchasers as the Treasurer shall designate in the Certificate of Fiscal Officer (collectively, the "Original Purchaser") at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Treasurer, the Superintendent, and the President, or any of them individually, are authorized and directed to execute on behalf of the Board a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which agreement shall be in such form, not inconsistent with the terms of this Resolution, as the Treasurer shall determine.

The proceeds from the sale of the Bonds, except the premium and accrued interest thereon, shall be used for the purpose aforesaid and for no other purpose. Any accrued interest received from such sale shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the School District, or other obligations of the School District, as permitted by law. Any premium from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund.

Section 1. The Board hereby covenants that it will comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The Board further covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Treasurer, or any other officer of this Board, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Board with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Treasurer, which action shall be in writing and signed by the Treasurer, or any other officer of this Board, on behalf of the Board; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the Board, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the Board, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the Board pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the Board regarding compliance by the Board with Sections 141 through 150 of the Code and the Regulations.

The Treasurer shall keep and maintain adequate records pertaining to the use and investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the School District to comply with any federal law or regulation now or hereafter having applicability to the Bonds that relates to the use of such proceeds, which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the School District to rebate arbitrage profits to the United States Department of the Treasury. The Treasurer is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

Section 13. The distribution of an Official Statement of the School District, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized if the Treasurer determines that it is necessary or advisable to prepare and distribute an Official Statement in connection with the original issuance of the Bonds. If the Treasurer so determines, then the Treasurer, Superintendent and President are hereby authorized and directed to negotiate, prepare and execute, on behalf of the School District and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the School District. The Treasurer, the Superintendent and the President are each authorized to execute and deliver, on behalf of the School District and in their official capacities, such certificates in connection with the accuracy of an Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

## REGULAR MEETING June 14, 2018

**Section 14.** The Treasurer is hereby authorized to obtain or update a rating or ratings on the Bonds and the School District if the Treasurer determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Treasurer so determines, then the Treasurer, Superintendent, and this Board are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 15.** The Board hereby approves of the appointments of the law firm of Bricker & Eckler LLP to serve as Bond Counsel and H.J. Umbaugh & Associates Certified Public Accountants, LLP to serve as a municipal advisor to the School District with respect to the issuance of the Bonds. The respective fees to be paid to such firms shall be subject to review and approval by the Treasurer and shall not exceed the fees customarily charged for such services.

**Section 16.** The officer having charge of the minutes of the Board and any other officers of the Board, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Board relating to the power and authority of the School District to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Treasurer and a no-litigation certificate of the President and the Treasurer, and such certified copies and certificates shall be deemed representations of the School District as to the facts stated therein. Documents (including this Resolution) executed, scanned and transmitted electronically and electronic and digital signatures shall be deemed original signatures for the Bonds, for the purposes of this Resolution, and for all matters related thereto, with any such scanned, electronic, and digital signatures having the same legal effect as original signatures.

The Treasurer and the President are hereby authorized and directed to take such action (including, but not limited to, hiring such other professionals and consultants as may be needed to facilitate the issuance of the Bonds) and to execute and deliver, on behalf of the Board, such additional instruments, agreements, certificates, and other documents as may be in their discretion necessary or appropriate in order to carry out the intent of this Resolution. Such documents shall be in the form not substantially inconsistent with the terms of this Resolution, as they in their discretion shall deem necessary or appropriate.

**Section 17.** It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the School District have happened, been done and been performed in regular and due form as required by law; that the full faith, credit and revenue of the School District are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

**Section 18.** It is hereby found and determined that all formal actions of the Board concerning and relating to the passage of this Resolution were taken in an open meeting of the Board, and that all deliberations of the Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Ohio Revised Code Section 121.22.

**Section 19.** The Treasurer is hereby directed to forward certified copies of this Resolution to the County Auditors of Delaware and Franklin Counties, Ohio.

### C. Approve Memorandum of Agreement for Deposit of Public Funds with First Commonwealth Bank

**THIS AGREEMENT FOR DEPOSIT OF PUBLIC FUNDS** (this “Agreement”) is made as of January 1, 2018 by and between First Commonwealth Bank (the “Financial Institution”) and Olentangy Local School District (the “Customer”).

#### WITNESSETH:

**WHEREAS**, the Financial Institution has accepted for deposit and safekeeping deposits from the Customer and may be providing certain other services for the Customer, or has proposed to do so;

**WHEREAS**, the Financial Institution has provided the Customer with a copy of the Financial Institution’s balance sheet as of the date of the latest report filed by the Financial Institution with one or more of its banking regulatory agencies;

**WHEREAS**, pursuant to the Uniform Depository Act of Ohio (the “Depository Act”) and in accordance with the rules promulgated under the Depository Act, such proposal requires the Financial Institution to pledge and deposit with one or more qualifying trustees as security for the repayment of all public moneys to be deposited in the Financial Institution by the Customer security of the kinds specified in Section 135.18, Section 135.182 or any other section of the Ohio Revised Code specifying eligible security, as such may be amended from time to time, in a sum equal to or greater than the minimum amount of security required by the Treasurer of the State of Ohio (the “TOS”) pursuant to the Depository Act and the rules promulgated under the Depository Act, as such may be amended from time to time; and

**WHEREAS**, the Financial Institution intends to participate in the Ohio Pooled Collateral Program (the “OPCP”) pursuant to the Depository Act and rules of the TOS;

**NOW, THEREFORE**, in consideration of the services to be provided by the Financial Institution, including the retention and safekeeping of deposits of the Customer, and the Customer’s new or continued award of deposits with the Financial Institution, the Customer and the Financial Institution agree as follows:

**1. Eligibility to Receive Funds.** The Financial Institution represents that it is eligible to receive public funds pursuant to Ohio Revised Code Chapter 135. This agreement is subject to the Depository Act, all amendments or supplements thereto, and all rules promulgated and policies adopted pursuant thereto, as well as all other applicable laws and regulations.

**2. Deposits Awarded and Accepted.** The Customer awards to the Financial Institution, and the Financial Institution accepts, deposits of the Customer of the types and in the maximum amounts set forth on the attached Exhibit A. The Customer and the Financial Institution agree that the services to be provided by the Financial Institution and the fees to be paid by the Customer are contained within the account agreement(s) executed by the Financial Institution and the Customer, as such services and fees may be changed by agreement of the Customer and the Financial Institution from time to time. Such agreement will be evidenced by delivery written notice of such proposed changes from the Financial Institution to the Customer and failure of the Customer to deliver to the Financial Institution within 30 days after delivery of such notice written objection of the Customer to such changes. The Customer acknowledges having received a copy of the terms and conditions of the accounts into which the Customer’s funds will be deposited (the “Accounts”)

REGULAR MEETING  
June 14, 2018

and agrees that the Account terms and conditions are incorporated herein by reference. To the extent the Account terms and conditions are inconsistent with the express terms of this Agreement, this Agreement will control.

**3. Limit on Amount of Funds.** The Financial Institution agrees that the total amount of active, interim and inactive deposits set forth in Exhibit A do not cause the total of all public funds held by the Financial Institution to exceed the limit set by Section 135.03 of the Ohio Revised Code or rules promulgated under that Section.

**4. Collateral.** The Financial Institution and the Customer agree that until the Financial Institution commences participation in the OPCP, the Financial Institution will pledge eligible securities for the benefit of the Customer and all other public depositors whose money has been deposited with the Financial Institution and deposit these securities with one or more trustees qualified under the Depository Act and designated by the Financial Institution. The Financial Institution and the Customer further agree that upon the Financial Institution's commencement of participation in the OPCP, the Financial Institution will pledge to the TOS and deposit with one or more trustees qualified under the Depository Act and designated by the Financial Institution, for the benefit of the Customer and all other public depositors whose money has been deposited with the Financial Institution, eligible securities. Notwithstanding the foregoing, if the charter of the Customer requires a pledge of specific collateral for the benefit of the Customer or applicable federal law designates the pledging of specific collateral for the Customer, the Customer and the Financial Institution will make a good faith effort to submit necessary documents with the TOS to apply for and establish a specific pledge account within the OPCP. The Financial Institution and the Customer will comply in all material respects with their respective duties and obligations under the Depository Act, the rules promulgated by the TOS pursuant to the Depository Act, and the terms, conditions, policies and other requirements of the TOS pursuant to the OPCP, as such laws, rules, terms, conditions, policies and other requirements may be amended from time to time. The terms and conditions of this Agreement are subject to the terms and conditions of any agreement or agreements by and between the Financial Institution and the TOS relating to the Accounts, which agreement or agreements are incorporated herein by reference.

**5. Amount of Collateral.** The Customer has the right to negotiate a "public unit negotiated collateral requirement" pursuant to Section 135.182 of the Ohio Revised Code. The Customer and the Financial Institution agree that the Financial Institution will pledge for the benefit of the Customer, in accordance with the OPCP, collateral equal in value to at least 102% of the amount of all deposits of the Customer on deposit with the Financial Institution that are not insured by the Federal Deposit Insurance Corporation.

**6. Trustee.** The Customer agrees that the Financial Institution may, in its sole discretion, select one or more trustees qualified under Section 135.182 of the Depository Act to hold collateral for all deposits of public fund depositors held by the Financial Institution, including but not limited to those deposits made by the Customer.

**7. Expenses.** Each of the Customer and the Financial Institution will be responsible for and assume its respective expenses incurred as a result of compliance with and participation in the OPCP and any successor program pursuant to Ohio Revised Code Section 135.182 or any amendment or successor provision of Ohio law.

**8. Termination of Participation in the OPCP.** Nothing set forth in this Agreement will require the Financial Institution to continue to participate in the OPCP. If for any reason the Financial Institution is no longer eligible to participate in the OPCP or chooses to opt out of such participation, the Financial Institution will promptly provide the Customer a notice of such event. Upon receipt of such notice, the Customer will provide notice to the Financial Institution within 30 days whether the Customer will withdraw all of its deposits from the Financial Institution or maintain the Customer's deposits at the Financial Institution. If the Customer does not provide such notice to the Financial Institution within the time set forth above whether it intends to remove its deposits, the Customer will be deemed to have agreed to maintain the deposits at the Financial Institution, and the Financial Institution will pledge separate collateral for the deposits of the Customer held by the Financial Institution pursuant to the requirements applicable to separate pledging of collateral set forth in Ohio Revised Code Section 135.18 and in accordance with other applicable laws and regulations.

**9. Change in Laws.** The Financial Institution and the Customer agree that if any state or federal laws, rules or regulations are changed or amended during the term of the Financial Institution's designation as a public depository, and the change of laws, rules, or regulations causes this Agreement to become unlawful, in whole or in part, then this Agreement will be limited so as not to extend beyond the date when such change becomes effective.

**10. Customer Privacy.** The Customer consents to the Financial Institution's provision to the TOS of information supplied by the Customer to the Financial Institution, as may be required by the TOS or applicable laws, rules and policies in connection with the Accounts. The Financial Institution will not be liable to the Customer for, as a result of, or in connection with the provision of such information to the TOS nor any disclosure of such information by the TOS to any other person.

**11. Term.** The term of this Agreement shall end on January 1, 2019. Notwithstanding the foregoing, the parties to this Agreement may agree to renew the Agreement for a new term or change the terms and conditions set forth on Exhibit A without execution of a new agreement by execution and delivery of a writing signed by both parties or by delivery of a written notice of changed terms and conditions by the Financial Institution to the Customer to which the Customer does not deliver written notice of objection to the Financial Institution within 30 days after delivery of the notice from the Financial Institution to the Customer. If neither party notifies the other in writing at least 30 days before the end of the then current term of its intention to renew or terminate this Agreement or to change the terms and conditions of the Agreement for a new term, this Agreement will automatically renew for a term of one year with the same terms and conditions as in effect immediately before the renewal.

**12. Notices.** All notices, requests and communications to a party under this Agreement must be in writing and will be deemed given if delivered personally, by facsimile, by electronic mail or by registered or certified mail (return receipt requested) to such party at its address as set forth below or such other address as such party may specify by notice to the other party.

Governing Law and Venue.** The internal laws of the State of Ohio will govern the interpretation, construction, and enforcement of this Agreement and all transactions and agreements contemplated by the Agreement, notwithstanding any state's choice of law rules to the contrary, except to the extent federal law governs. The parties agree that the sole and exclusive venue for any legal action arising out of, in connection with, or relating to this Agreement and/or the transactions and relationships between the parties contemplated by this Agreement, will be the federal district court for the Southern District of Ohio, Columbus Division, or any court of general jurisdiction of Franklin County, Ohio. The parties consent to the jurisdiction of such courts and waive any claim of lack of personal jurisdiction, improper venue, and forum non conveniens.

**14. Assignment.** This Agreement may not be assigned by either party without prior written consent of the other party. Notwithstanding the foregoing, neither a merger of the Financial Institution into another financial institution, nor a sale of the Accounts to another financial institution eligible to receive public funds pursuant to Ohio Revised Code Chapter 135, along with an assignment of this Agreement, will be deemed to be an assignment.

**15. Waivers.** The waiver by either party of a breach of any provision of this Agreement by the other party or its assignee will not operate or be construed as a waiver of any subsequent breach by the breaching party. A waiver by either party will only be valid if it is in writing and signed by an authorized officer of the party making the waiver.

**16. Execution and Delivery.** The execution of this Agreement or any amendment to this Agreement in one or more counterparts and the delivery of copies and of scanned or photocopied signature pages by facsimile, electronic mail or other electronic delivery will constitute effective execution and delivery of this Agreement or any amendment.

**17. Agreements Superseded.** With respect to the subject matter of this Agreement, to the extent that there is any inconsistency between this Agreement and any other agreement between the Customer and the Financial Institution, the terms of this Agreement supersede all previous agreements. For purposes of clarification, with respect to any previous agreement between the Financial Institution and the Customer regarding the types and maximum amount of deposits to be received by the Financial Institution from the Customer, compliance with the Depository Act, and participation by the Financial Institution and the Customer in the OPCP, this Agreement supersedes all previous oral and written agreements.

**18. Contact Persons.** Information regarding the Customer's contact persons and representatives who are authorized to view, submit or otherwise access information submitted to the Ohio Pooled Collateral System with respect to this Agreement is set forth in Exhibit A. **Memorandum of Understanding**  
**Medical Services for Olentangy Local School District**

THIS AGREEMENT is entered into on this the 15 day of June, 2018 by and between The Ohio State University on behalf of its Health System (hereinafter "OSU") AND Olentangy Local School Districts Board of Education (hereinafter "OLSD"). This agreement is effective July 1, 2018 and continues to June 30, 2023.

WHEREAS, OSU is an academic medical center; and

WHEREAS, through Ohio State University Wexner Medical Center (hereinafter "OSUWMC") and OSU Sports Medicine (hereinafter "OSUSM"), OSU employs professionals in the health care profession, and

WHEREAS, OLSD is a public school district with a mission of providing educational services for students in grades K through 12, and

WHEREAS, OLSD wishes to obtain the services set forth in Section A below from OSU to enhance the availability of quality sports medicine care for OLSD student athletes and OSU is willing to provide such services,

NOW, THEREFORE, based on the foregoing and other covenants, conditions and promises hereinafter set forth, the parties agree to the following;

**A. DUTIES AND RESPONSIBILITIES OF OSU**

OSU will provide the following services at no charge, unless otherwise noted herein:

1. OSU agrees to provide eight (8) Ohio licensed athletic trainers to meet the needs of OLSD athletics. All eight (8) athletic trainers will be dedicated to the high schools for a minimum of three hundred and twenty (320) hours per week. Personnel staffing will be agreed upon mutually by both parties for the life of contract.

2. OSU athletic trainers will coordinate their schedule with, and report to, OLSD Athletic Directors at each particular school to which they are assigned, to meet the needs of the OLSD athletes.

The duties of the athletic trainer will include but are not limited to

- Initial injury evaluations and treatments
  - Physician referrals when necessary
  - Direct rehabilitation of athletic injuries
  - Make return to play decisions in conjunction with the team physician and/or the student's physician
  - Maintain records pertaining to athletic injuries including but not limited to all sports physicals and incident reports
  - Communicate with coaches regarding injuries and treatment throughout each season
3. OSU agrees to provide an additional dedicated Ohio licensed health provider that is identified as the OLSD Coordinator of Rehab Services to arrange all middle school football and lacrosse home event coverage.
  4. OSU will assign a team of physicians to OLSD to support coverage and will solicit the multi-disciplinary expertise of its entire physician team as necessary. Physicians will coordinate with athletic trainers and be available to visit the high school as needed for injury checks. Physicians shall also be available to meet with students after school hours and on Saturdays to review and evaluate injuries. Student athletes, at their own expense, will have the ability to see specialists within one business day of a referral pursuant to paragraph (A) (5) below, and have their results be evaluated and communicated within a similar time frame. The assignment of a team of physicians by OSU shall in no way limit a student's ability to seek treatment from his or her own physician.
  5. Except in cases constituting an emergency, all referrals by OSU athletic trainers for subsequent medical treatment by a physician shall be communicated directly to a student athlete's parent or legal guardian. Each referral must state that a student may seek medical treatment from his

or her own physician or can receive a referral for an OSU physician upon the parent or guardian's request.

6. OSU will provide three coaches' clinics per year. The date and times of the clinics will be coordinated with the High School Athletic Directors. This service is provided in addition to the hours of coverage provided by OSU. Additional clinics may be requested as needed to help educate coaches as National and State Federation requirements and state and federal laws change.
7. OSU will provide a minimum of four (4) general community-based health education seminars annually, to be coordinated upon request by the OLSD administration or High School Athletic Directors. Topics may include healthy living, stress management, endurance medicine and others.
8. OSU will provide injury check and home collision-sport coverage for the middle schools. Coordination and coverage assignments will be provided by OLSD's Coordinator of Rehab Services.
9. Saturday morning injury checks will occur from August – December at Ohio State's Lewis Center location at the mutually agreed upon time.
10. OSU will provide OHSAW Wrestling Weight Certification for all OLSD wrestlers.
11. OSU will provide CPR/AED training and/or recertification for all coaching staff members at no charge.
12. OSU will provide ImPACT baseline testing on all OLSD student athletes for collision sports as requested by OLSD athletic directors. Testing will be made available for other teams as requested or needed.
13. When OLSD is hosting contests, events, OHSAW or Central District tournaments, OSU will provide, at no additional charge, additional athletic trainers to assist with coverage when the

OLSD primary athletic trainers are unavailable or if an event requires additional staff to ensure adequate coverage. OLSD shall request additional coverage with reasonable advance notice of such event. However, in the event that one of the primary athletic trainers is unavailable, OSU shall provide a substitute athletic trainer without request by OLSD.

14. OSU agrees to meet quarterly, or as otherwise requested, with the OLSD High School Athletic Administration to monitor the ongoing services and to discuss any concerns or changes as may be appropriate.
15. OSU acknowledges and agrees that as an entity providing services to OLSD, any records maintained by OSU while providing services under this Agreement regarding OLSD student athletes are education records subject to FERPA and R.C. 3319.321. FERPA and R.C. 3319.321 shall govern any records maintained by OSU while providing services under this Agreement regarding OLSD student-athletes, regardless of whether health care services are provided to student athletes on school grounds or off-site. As education records, these records are subject to FERPA and R.C. 3319.321 and not HIPAA. OSU acknowledges and agrees that the confidentiality of a student athlete's medical information is of the utmost importance and that any student athlete medical information received by OSU shall be kept strictly confidential. OSU shall permit a coach to receive information maintained by OSU while providing services under this Agreement necessary to address injuries or make a determination as to a student-athlete's involvement in practice and/or competition to protect the health and safety of the student athlete upon receipt of a signed OHSAA Authorization Form by the student-athlete and his/her parent or legal guardian, as applicable. Further, information may be released to school personnel consistent with FERPA and R.C. 3319.321.
16. Student athletes who, at their own expense, as provided in paragraph (A)(4) above see specialists within 24 hours of referral pursuant to paragraph (A)(4) are considered patients of

OSU providers, who are “health care providers” under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and records of such visits OSU records are subject to HIPAA, not FERPA .

17. OSU athletic training services will be provided under the direction, supervision and review of the student’s physician or the team physician, as applicable. OSU acknowledges and agrees that should a student athlete choose to receive treatment from his or her own physician, the student athlete’s physician shall be able to access information and medical records from OSU’s physicians and athletic trainers related to the treatment or care of the student athlete with appropriate signed consent form.
18. OSU will provide professional liability insurance coverage with a minimum amount of \$1,000,000/occurrence and \$3,000,000/aggregate. The coverage will apply to services and actions conducted by the OSU athletic trainer, OSU team physician and/or any other OSU physician or other health care professional providing services under this Agreement and may be provided by a program of self-insurance.
19. OSU shall obtain Bureau of Criminal Investigation (BCI) and/or Federal Bureau of Investigation (FBI) criminal background checks for any employees that will be working in the Olentangy Local School District with students consistent with R.C. 3319.392(C)(1). Upon request, OSU shall provide OLSD with confirmation that it has complied with this requirement. None of OSU’s employees providing services under this Agreement shall be considered employees of OLSD with respect to any federal, state or local laws. Accordingly, OSU shall be responsible for, pay for and, as applicable, reimburse OLSD for any wages, benefits, charges, fees, penalties and/or taxes, including but not limited to Social Security taxes, Workers’ Compensation taxes, unemployment taxes, PERS, SERS, and/or any other governmental charges, penalties and/or taxes required to be paid on behalf of employees of OSU.

20. OSU will provide a Sports Performance Coach dedicated to each high school, working collaboratively with school officials and medical staff members to provide services that are in the best interest of the student athlete. He or she shall set team and individual goals, design programs to meet their functional needs and plan and track workouts. OSU shall ensure that each coach shall maintain current CPR/First Aid certification and a valid current strength and conditioning certification.

- OSU shall provide up to 20 hours per week of a dedicated Sports Performance coach, at no cost to OLSD.
- Individual OLSD Athletic Directors may request additional Sports Performance staffing from OSU beyond the 20 hours per week noted above. The requests must be provided in writing (electronic communication is acceptable) and shall include specifics regarding the amount of time and staffing requested. Such staffing shall be provided by OSU at a rate of \$40 per hour, per Sports Performance staff member, to OLSD. OLSD shall make every effort to provide such requests with reasonable advance notice so as to allow OSU to arrange for appropriate staffing.

21. OSU will work in collaboration of OLSD to provide specialty programming and additional services:

- a. Early risk identification through functional testing to all district 7<sup>th</sup> grade students and new middle school students to the district on an annual basis.
- b. Annual training to all middle school coaches, athletic staff, health and physical education instructors and other staff identified by Athletic Directors will be provided to OLSD. This training will include general corrective exercise and injury prevention strategies to be implemented based on findings as a result of testing.
- c. Ohio State Sports Medicine Lower Extremity Injury Prevention and Performance Program to any OLSD team that wishes to participate. This would further include

instruction to coaches on appropriate dynamic pre-practice or pre-game warm-up programs.

22. Pre-Participation Physical Exams events will be made available to OLSD student athletes by OSU on designated days and locations as mutually agreed by both parties.

#### **B. DUTIES AND RESPONSIBILITIES OF OLSD**

1. OLSD will be responsible for obtaining the necessary OHSAA authorizations from the players and their parents that are required for participation and medical care. OLSD will provide a copy of such authorizations to OSU.
2. OLSD will be responsible for providing and maintaining site access for emergency responders to all facilities.
3. OLSD will provide OSU with a secure area to store student athlete records. Access to such secured area shall be restricted to the Ohio Licensed Athletic Trainer, the OLSD Athletic Directors, and any OSU physician performing services pursuant to this agreement.
4. OLSD in good faith will provide appropriate and applicable exposure to communicate OSU's care for its student athletes. All messages and media content are subject to review and approval by OSU Sports Medicine marketing.
  - OLSD shall grant OSU reserved placement of space (e.g. scoreboard, fencing, wall scorer table, display ad, etc.) for sign(s), banner(s) or digital display(s) at each athletic competition venue, practice venue and department website, at no cost to OSU. This includes training facilities, weight rooms, stadiums, athletic courts, fields and gymnasiums. OSU will provide artwork and cover production costs of materials. In the event that these spaces are managed by external or third-party vendors (e.g., booster organizations or third-party marketing firms), OLSD will pay the cost of advertising space on behalf of OSU.

- Allow OSU to post a minimum of three (3) sign(s) or banner(s) within the public area of each school building such as at the facility entry, auditorium, common area, and/or on school marquees, at no cost to OSU. OSU will cover production of artwork and materials. OLSD must pre-approve location of placement of such signage or banners.
- Allow OSU the first right of refusal to procure advertising on all existing scoreboards and other advertising locations as they become available. OSU must refuse any requests in writing (electronic communication is sufficient) prior to OLSD seeking other vendors for advertising space. If OSU declines any advertising opportunity, OLSD will be permitted to allow competing healthcare entities to procure this space; however, such entities will not be permitted to advertise Sports Medicine or Orthopedic services.
- Allow OSU first right of refusal for additional marketing and sponsorship opportunities beyond the physical and virtual spaces noted above. OSU commits to supporting such initiatives, including, but not limited to, Olentangy Education Foundation and Athletic Booster organizations.
- Allow OSU branding on the school utility vehicles (“gators”) used in transportation throughout each athletic campus.
- Recognize OSU on each OLSD athletic home page of the website as well as staffing or sports medicine information details at a reasonable position within each site including a link to OSUSM information page and a link to OSU staffing page. This will be provided at no cost to OSU.
- OLSD agrees to allow OSU to include OLSD on OSUSM website as an affiliate partner.

- OSU logo on all official printed and published athletic department schedules, at no cost to OSU.
  - OSU shall receive one (1) PA announcement at each varsity high school football and basketball game. OSU shall provide script of announcement in advance to be approved by OLSD. OSU shall be recognized as the exclusive sports medicine provider for OLSD.
  - OLSD will recognize that OSU places value in providing direct education to student athletes, parents, coaches, staff, administrators and related organizations. OSU Staff shall be included as present and/or participatory in sport parents meetings or educational sessions from OLSD. Other opportunities for direct education as determined and approved by both parties should be considered when applicable. Such involvement of OSU in the aforementioned events or programming may also include submissions for newsletters, blogs or other social media platforms.
5. Notwithstanding the provisions contained in B(4) above, OSU agrees that should OLSD receive formal written notice that any of the marketing opportunities provided herein violate any existing OLSD agreement, OSU shall waive the contested marketing opportunity and it shall not be part of this Agreement. Should a contested marketing opportunity be waived, OSU and OLSD will work together to identify an additional marketing opportunity that is of equal value to OSU to replace the formally contested marketing opportunity. OLSD will provide a safe environment for the athletes.
6. OLSD agrees to create an environment that supports work with athletic training students assisting under the direct supervision of an OSU employed licensed athletic trainer per Ohio licensure. OSU shall ensure that any athletic training students assisting an OSU employed

licensed athletic trainer under this Agreement are covered by a policy of insurance with equal or greater coverage than the coverage requirements set forth in paragraph (A)(18).

**C. NOTICE OF CLAIMS**

Each party shall be responsible for any and all claims, liabilities, damages or judgments, which may arise as a result of its own negligence or intentional wrongdoing. Neither party shall be liable and/or responsible for the acts or omissions of the other party. If either party receives notice of a claim regarding the Services provided under this Agreement, that party shall notify the other party in writing within at least ninety (90) business days, at the address set forth below. Both parties shall cooperate with each other in responding to and defending any such claim.

**D. MISCELLANEOUS PROVISIONS**

1. Assignability

This Agreement may not be assigned or otherwise transferred, nor may the obligations of OSU or of OLSD be delegated.

2. Amendments

No modification or amendment of this Agreement shall be effective unless in writing duly executed by both parties.

3. Entire Agreement

This Agreement constitutes the entire agreement between the parties unless specific reference to other agreements is made herein. This Agreement supersedes all prior and contemporaneous agreements between the parties in connection with the subject matter of services to OLSD.

4. Terms of Agreement
