6. Approve resolution for termination of classified employee

WHEREAS, Darrell McGrew currently is employed by the Olentangy Local School District Board of Education as a Custodian; and

WHEREAS, the Board believes that a Custodian must perform his job duties in an honest and efficient manner; and

WHEREAS, the Board believes that a Custodian properly can be held to a standard of behavior consistent with the employee's responsibilities to perform his job duties in an honest and efficient manner; and

WHEREAS, the Board believes that Mr. McGrew's misconduct, as alleged below, is wholly contrary to his responsibilities, duties and obligations as a Custodian; and

REGULAR MEETING

April 30

15

WHEREAS, the Board gave Mr. McGrew written notice of the charges against him by certified U.S. mail and email on March 10, 2015, and afforded him an opportunity to attend a pre-disciplinary conference on March 12, 2015;

WHEREAS, the notice informed Mr. McGrew of the charges against him, as alleged below,

WHEREAS, the Superintendent/designee now recommends that the Board terminate the employment of Mr. McGrew for inefficiency, dishonesty, immoral conduct, insubordination, neglect of duty, and other acts of misfeasance, malfeasance, or nonfeasance, based upon his misconduct, as alleged below; and

WHEREAS, the Board agrees with the aforesaid recommendations;

NOW, THEREFORE, BE IT RESOLVED, that the Olentangy Local School District Board of Education terminates Darrell McGrew's contracts of employment for inefficiency, dishonesty, immoral conduct, insubordination, neglect of duty, and other acts of misfeasance, malfeasance, or nonfeasance, in his job. The grounds, each of which is asserted below and each of which is asserted independent of, and/or in combination with, some or all of the other grounds enumerated are:

1. Mr. McGrew converted Board property for personal use on the afternoon of February 20, 2015, when he took at least one (1) bottle of water from the cafeteria cooler at Indian Springs Elementary School (ISES) without paying for it. Mr. McGrew's incident was recorded on a camera that was installed in the cafeteria.

2. Mr. McGrew again converted Board property for personal use on the afternoon of February 24, 2015, when he took at least one (1) bottle of water from the cafeteria cooler at ISES without paying for it. Mr. McGrew's second incident also was recorded on the camera that was in the cafeteria.

3. Mr. McGrew was dishonest during his March 4, 2015 investigatory interview. Mr. McGrew first claimed that he paid for the water by putting money on the counter in the food service office. His claim is not credible because the ISES camera footage shows that he did not go into the food service office, and there is no record indicating that Mr. McGrew paid for the water.

4. Mr. McGrew was dishonest a second time during his March 4, 2015 investigatory interview. After Mr. McGrew made the claim described in paragraph #3 herein and incorporated by reference, he changed his story and admitted that he took one (1) bottle of water without paying for it. Mr. McGrew's claim is not credible because the ISES camera footage shows that he took at least two (2) bottles of water without paying for them.

BE IT FURTHER RESOLVED, that the Superintendent/designee is authorized and directed promptly to furnish Mr. McGrew and the OAPSE Local #039 president a written notice via certified mail of the Board's termination of Mr. McGrew's contracts of employment with a full specification of the grounds for such consideration.
