Debit Card Lunch Payment:

Student's account will be accessed through a pin pad, bar code reader, student ID, or by name search from the cafeteria computer. A school picture will appear on the computer screen for the cashier to identify the student to further ensure the security of the student's account. Any special dietary concerns or restrictions will appear in a special pop up box with the student's account information.

Deposit Funds:

You are encouraged to prepay for meals. Methods of payment include:

- **ONLINE PAYMENTS** – Access the online payment system through your PowerSchool parent account which can be found on the Olentangy website at **www.olentangy.k12.oh.us** under "For Parents," and then "Lunch & Fee Payment." For PowerSchool account login questions, please contact your individual school building. At this time you cannot make payments through the Olentangy or PowerSchool mobile app.
- **CASH** –Place cash in an envelope marked with the student's first and last name, student ID number (if known) and teacher's name.
- **CHECK** – Make checks payable to Olentangy Food Service. Make sure to include your student's name, student ID number, and phone number. If making a deposit for more than one student, note the amount that should be deposited into each student's account. Please note we are unable to accept counter checks for payment.

Keep in mind that this is a debit card system, not a credit card. Prompt payment of negative balances is appreciated. Please see Board of Education Administrative Guideline 8500D for the most current meal charge procedures.

You may view your student's account history, which includes transactions and payment history, through your PowerSchool parent account, or you may also contact the district Food Service office at 740-657-4053 or your student's school cafeteria manager. Low and negative balance emails are sent throughout the week to make you aware when your student's account is low or negative. If you need to update your email address please login to your PowerSchool parent account to make this change.
