### **Recognition**

- A. The Board of Education of the Olentangy Local School District, Lewis Center, Ohio, hereafter called the Board, hereby recognizes the Olentangy Teachers Association, an OEA/NEA affiliate, hereafter called the OTA, as the exclusive bargaining agent for the certified teachers (including school nurses), excluding administrators, substitutes, and hourly paid tutors, (hereafter called the teachers).
- B. Both parties agree that the right exists to join, participate in, or to refrain from joining or participating in any organization without intimidation or coercion. Membership in any organization shall not be a condition of employment or continued employment for any teacher.
- C. Certified personnel whose positions are funded predominantly or entirely with auxiliary services funding from the state shall not be in a bargaining unit. If and when such persons become part of the bargaining unit, they shall begin with no seniority.
- D. Throughout this Agreement, unless otherwise specified, the Superintendent's designees shall be comprised of Central Office administrators.

## **ARTICLE 3**

### **Gender**

Whenever the context so requires, the use of words herein in the singular shall be construed to include the plural, and words in the plural the singular, and words, whether in the masculine or feminine, shall be construed to include all said genders.

## **ARTICLE 4**

### **Equal Opportunity**

Except as may be required by applicable law, state or federal regulation, or provisions of the Board's affirmative action policy which are not in conflict with any applicable law or state or federal regulation, there shall be no discrimination or intimidation against any professional staff member as a result of, or because of such staff member's race, color, creed, sex, age, sexual orientation, national origin, religion, disability, or genetic information. No professional staff member shall be required to become a member of the OTA or any other teacher organization as a condition for securing or retaining employment with the Board.

## **ARTICLE 5**

### **Scope of Negotiations**

A. **Matters Subject to Collective Bargaining**

The scope of the parties' duty to bargain is the scope provided in Ohio law.

B. **Matters Outside Collective Bargaining**

The Board of Education and administration reserve to themselves the management rights recognized by Ohio law.

## **ARTICLE 6**

### **Bargaining Procedures**

A. The Board and the OTA shall each designate a bargaining team during each year in which bargaining is to be conducted and notify the other, in writing, of its composition by the first bargaining session. Each team shall consist of not more than seven (7) members including one (1) alternate. All bargaining shall be conducted exclusively between the teams. This does not preclude consultations with constituency or outside consultants. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually agree to bargain in good faith.

B. Between March 1 and March 30 in any calendar year in which negotiations are scheduled to occur, either party may notify the other in writing of a desire to commence negotiations. Within fifteen (15) calendar days of notification, the teams shall schedule the time of their first meeting. The parties may commence negotiations at an earlier date by mutual agreement. At the first meeting, each team shall exchange their full proposals. No further items for negotiation shall be included subsequently without mutual consent.

C. **Time Limits**

1. Either party may call caucuses during negotiations.
2. If agreement is not reached on items being negotiated within sixty (60) calendar days after the first meeting, the provisions of Article 7 will be implemented.
3. Any time limits on negotiations may be established by mutual agreement.

- D. Prior to and during the period of bargaining, each party will provide the other, upon written request, all regularly and routinely prepared information concerning issues under consideration.
- E. While negotiations are in progress, there shall be mutual agreement on any releases given to the news media.
- F. The bargaining teams shall have the authority to indicate tentative agreement pending final approval of an entire tentative agreement by the OTA within fifteen (15) calendar days of receipt, and by the Board within fifteen (15) calendar days following OTA approval. Following approval by both parties, the Agreement shall be binding on both parties for the duration of the contract period.
- G. Meetings held under this procedure shall be conducted at a time and place which will offer a fair and reasonable opportunity for all persons entitled to be present to attend. Sessions may be scheduled by mutual agreement during school hours in accordance with Article 16.

## **ARTICLE 7**

### **Procedure if Agreement is Not Reached**

- A. In the event negotiations are not completed within sixty (60) calendar days following the initial exchange of proposals, either party may request mediation conducted by the Federal Mediation and Conciliation Service (FMCS). Mediation shall begin as soon as the mediator is available. The mediator shall have the authority to call meetings.
- B. If agreement is not reached within ten (10) calendar days of the expiration of the existing Agreement, then the Exclusive Representative shall have the right to proceed in accordance with Section 4117.14(D)(2) and Section 4117.18(C) of the Ohio Revised Code, such right being modified by future changes, if any, to the Ohio Revised Code.

## **ARTICLE 8**

### **Evaluation**

- A. **General Provisions for All Evaluations**
  - 1. One purpose of evaluation is to assist the teacher toward improved instruction. Another purpose is to provide information in making employment decisions. Teachers who instruct students for at least half of the teacher's work day shall be evaluated in accordance with this Article.

The Board and the Association shall develop separate evaluation procedures for bargaining unit members who are not subject to this Article.

2. Classroom observations of the work performance of a teacher for the purpose of completing a written evaluation (hereinafter referred to as the "Teacher Performance Rubric") shall be conducted openly.
3. Value-added data, ODE-approved student assessments or other data trends may not be used as a stand-alone measure of student growth and may not be used outside of the overall teacher performance rating to terminate a teacher
4. Teachers in their first year of employment with the District will be notified in writing at least twenty-four (24) hours in advance of their first formal observation. All other observations may be unannounced.
5. The evaluation shall take into account the total performance of the teacher in the areas of job description adopted by the Board.
6. There will be no formal classroom observations for evaluation purposes the day before Thanksgiving, winter or spring break, or the day after a teacher absence due to illness, unplanned personal leave or an emergency situation.
7. All teachers assigned to more than one (1) building who are to be evaluated shall be notified which administrator will conduct his/her evaluation. Teachers with above levels of student growth may choose their evaluator for the evaluation cycle. Teachers with expected levels of student growth will have input on their evaluator for the evaluation cycle. Teachers with below expected levels of student growth will have an evaluator assigned by the administration for the evaluation cycle.
  - a. A first-year teacher or a teacher on an improvement plan can only be evaluated by a building administrator; otherwise the evaluator shall be designated by the Superintendent or designee.
  - b. A teacher may request that his/her evaluation be conducted by a building administrator rather than someone else designated upon learning of his/her evaluator.
  - c. The designated evaluator will consult with building administration on teacher performance outside of the completed formal observation.
8. Prior to the first (1<sup>st</sup>) observation of a teacher in his/her first (1<sup>st</sup>) year of employment in the District, an individual pre-observation conference is required. Such conference shall afford the administrator the opportunity to

explain the evaluation process and expectations. Pre-observation conferences for succeeding observations are optional.

9. Teachers shall be given the opportunity to study the Teacher Performance Rubric prior to the final evaluation conference.
  - a. The evaluator shall send the teacher a hard copy or electronic copy of the evaluator's draft Teacher Performance Rubric at least six (6) work days prior to May 1.
  - b. Prior to May 1, the teacher may raise his/her concerns and/or provide input to the evaluator about the accuracy and thoroughness of the Teacher Performance Rubric.
10. Upon the conclusion of the final evaluation conference both parties shall sign the Teacher Performance Rubric.
  - a. The teacher's signature shall signify only that he/she has received the Teacher Performance Rubric and does not necessarily imply agreement with the evaluation.
  - b. Teachers shall be given a copy of the final, signed Teacher Performance Rubric at the conclusion of the final evaluation conference.
11. One copy of each Teacher Performance Rubric with all signatures and dates in place and with the teacher's comments, if any, attached, shall be placed in the teacher's personnel file.
12. A plan for improvement shall be part of the evaluation instrument. The evaluator shall evaluate the teacher for overall improvements in the areas specified on the plan for improvement and where the previously observed deficiencies can be reevaluated.
  - a. The draft plan for improvement will be created by the evaluator. The plan will be finalized by the evaluator after direct consultation and discussion with the teacher. Both parties must sign that the discussion has been held.
  - b. This plan will include specific goals based on the deficiencies observed during the classroom observations, or otherwise documented, a means for achieving these goals, a timeline for achieving these goals and at least one (1) additional formal thirty (30) minute classroom observation beyond the required minimum. Such additional observation shall be at least ten (10) school days after the last of the two observations required by law and completed by May 1.

- c. Both parties shall sign and date this plan and attach it to the Teacher Performance Rubric and a copy will be given to the teacher.
- d. If new deficiencies occur for which an improvement plan has not been developed, an amended plan for improvement will be developed followed by at least one (1) observation and completed by May 1.
- e. A teacher rated "ineffective" may be assigned a Mentor as part of their improvement plan.

B. Timelines and Process for Teacher Evaluations

1. Except as otherwise provided herein, there shall be at least one (1) Teacher Performance Rubric completed by the evaluator by May 1 and the teacher shall be provided with a written copy of the Teacher Performance Rubric by May 10.

A teacher who: (1) was on leave for fifty percent (50%) or more of the school year; or (2) has submitted notice of retirement that is accepted by the Board on or before December 1 of the school year, shall not be evaluated during that school year.

For purposes of this exception, a teacher may be deemed to be on leave for 50 percent or more of the school year only if the teacher is on an approved leave of absence for at least this portion of the school year, with such leave approved by no later than December 31 of that year. If a teacher works a part-time schedule on certain days of the week (e.g., Mondays, Wednesday and Fridays), leave will be measured based on half of the part-time teacher's contract days.

2. Each evaluation must include at least two (2) formal thirty (30) minute observations of the teacher and walk-throughs; it may include additional observations. A post-observation conference may be held following each observation prior to the administrator's writing of the final evaluation.
3. An additional formal thirty (30) minute observation of the teacher is required if non-renewal is a possibility. The formal thirty (30) minute observation in A. 12 above shall be considered as the required additional observation necessary for non-renewal.
4. The evaluating administrator shall provide a teacher rated "ineffective" with an improvement plan in accordance with this Article, Section A. 10, above.
5. A teacher who is evaluated or claims he or she should be evaluated under Article 8, may file a grievance about the Board's or administration's

compliance with this Article 8, but may not use or invoke the process set forth in O.R.C. 3319.11(G)(1-7). This Article 8 supersedes and replaces O.R.C. 3319.111 and O.R.C. 3319.11 with respect to 3319.11's references to O.R.C. 3319.111.

C. Timelines and Process for Evaluation of Teachers Rated Accomplished or Skilled

1. Teachers who receive a rating of "Accomplished" on the teacher's most recent evaluation shall be evaluated once every three (3) school years, as long as the teacher's student academic growth measure for the most recent school year for which data is available is average or higher. At the discretion of the Superintendent or designee or building principal, the evaluation schedule of teachers rated as "Accomplished" may be randomly staggered to avoid having a large increase in the number of evaluations that must be conducted every third year.

A teacher who receives a rating of "Skilled" on his/her most recent evaluation shall be evaluated every other school year, as long as the teacher's student academic growth measure for the most recent school year for which data is available is average or higher.

In any year in which a teacher who has not been formally evaluated as a result of having previously received a rating of accomplished or skilled, a credentialed evaluator shall conduct at least one observation of the teacher and hold at least one conference with the teacher.

Notwithstanding anything to the contrary, a teacher entering the final year of a limited contract who received a rating of "Accomplished" or "Skilled" on the teacher's most recent evaluation may be evaluated during that year, in accordance with this Article, Section B., above.

D. Expedited Grievance Challenge - Teacher Evaluation

1. If an employee believes the evaluator has violated the procedure established in this Article 8 or that the evaluator's judgment or conclusion is arbitrary, capricious or unreasonable, the employee must file a written grievance at Level 1 within ten (10) days as defined in Article 9 of the employee's receipt of the signed and final version of a Teacher Performance Rubric for the particular school year or part of a school year.
2. The Superintendent and/or designee(s) shall meet within ten (10) days, as defined in Article 9 of a Teacher Performance Rubric grievance with the OTA President and/or OEA Consultant and discuss the grievance(s) to attempt to understand and resolve the grievance(s). Within ten (10) days as defined in Article 9 of such meeting if the Association wishes to appeal to arbitration, the Association shall file a written request for arbitration with

the Chief Operations Officer. The arbitration shall be conducted with an expedited procedure before [one of three (3) arbitrators by random selection or an arbitrator mutually agreed to by the parties] in lieu of the use of AAA list(s), the AAA selection process and the AAA voluntary labor arbitration rules.

E. Joint Evaluation Committee

The evaluation instrument will be reviewed and/or developed/revised, if requested in writing by either party, through a committee consisting of one (1) elementary teacher, one (1) middle school teacher, one (1) high school teacher selected by the OTA President, and three (3) administrators selected by the Superintendent or his/her designee. Evaluation instruments shall be developed by the committee for non-traditional classroom teaching roles.

The joint evaluation committee will submit evaluation instruments to the Chief Operations Officer for electronic posting.

**ARTICLE 9**

**Grievance/Problem Procedure**

- A. "Grievance" is defined as a claim by a bargaining unit member, a group of bargaining unit members or the Association (hereinafter called the "Grievant") that there has been a violation, misinterpretation, or misapplication of the terms of this written Agreement.
- B. "Grievant" is defined as a bargaining unit member, a group of bargaining unit members, or the Association acting on behalf of itself or a group of members. All members of a group must be similarly situated, and the facts and circumstances giving rise to the group grievance must be substantially the same for all members of the group.
- C. A "day" shall be defined as any day that the District administrative offices are open for business, except that no day in July shall count as a day. It is also agreed that if, during the summer recess, the employee's immediate supervisor (at Level 1) or the Superintendent or designee (at Level 2) is off work on a particular day, that day will not count as a day.
- D. The time limits provided in this Article may be extended by written agreement of the parties.
- E. If a grievant fails to file a written grievance by the stated deadline, then the grievance shall be considered waived.

- F. A grievance may be withdrawn at any Level, but once withdrawn cannot be refilled.
- G. The administration shall schedule hearings held under this procedure at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend. All notices of hearings, dispositions of grievances, written grievances, and appeals shall be in writing and hand delivered or mailed. If the administration schedules any meetings under this Article during an employee's work hours, affected bargaining unit members will receive their regular salary for those times.
- H. The purpose of these procedures is to secure, at the lowest possible administrative level, equitable solutions to the grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure and processed as expeditiously as possible. Before filing any written grievance, within ten (10) days of the occurrence or within ten (10) days of when the grievant reasonably should have known of the act or condition on which the grievance is based, a grievant must informally discuss with his/her building principal, immediate supervisor or appropriate administrator the alleged violation, misinterpretation or misapplication of a term of this written Agreement.
- I. Upon written notification to the grievant, the administrator at any level may refer the grievance to a higher administrative level, in which case the second administrator's time to meet and respond shall be as though the referral is the filing of an appeal to the level of that administrator.
- J. Any grievance not answered within the time limitations set forth in a particular level shall be considered to be responded to in the negative and shall be automatically advanced to the next step of the grievance procedure, except Level 3 (Arbitration), which requires a specific written request by the Association to advance the grievance to arbitration.
- K. In all levels of this procedure, the Grievant may have an Association representative at all hearings.
- L. No reprisals shall be made against any party involved in the use of this grievance procedure.
- M. No record, document, or communication concerning a grievance shall be placed in the personnel file of any participants involved in the use of this grievance procedure, except as provided in the final disposition of the grievance.
- N. The OTA has the exclusive right to be present for the adjustment of any and all grievants.

O. Level 1

An employee must file a grievance, on the form attached to this Agreement as Appendix A, with the Principal or immediate supervisor within ten (10) days of the informal discussion. The principal or immediate supervisor shall meet with the grievant and respond to the grievance in writing held within ten (10) days of the filing.

P. Level 2

If the grievant is not satisfied with the response at Level 1, the grievant may file a written appeal to the Superintendent or designee within ten (10) days of receipt of the Level 1 response. The Superintendent or designee shall meet with the grievant and provide a written response within ten (10) days of the filing.

Q. Level 3

If not satisfied with the written response at Level 2, the Association may within ten (10) days after the grievant's receipt of the Level 2 response, submit the grievance to arbitration by giving written notice to the Superintendent or designee. The Association shall, within thirty (30) days, file the demand for arbitration with the American Arbitration Association (AAA). The arbitrator shall be selected by the alternate strike method from a list of names submitted by AAA within ten (10) days after receipt of the list. Prior to striking names, either party may reject the list once and request AAA to submit another list. All other procedures shall be in accordance with the voluntary rules and regulations of the AAA. The arbitrator shall be requested to render a decision and award within thirty (30) calendar days following the hearing or submission of final briefs.

The decision of the arbitrator shall be final and binding for the aggrieved person, the Association and the Employer. The parties shall split the fees and expenses of the arbitrator.

The arbitrator shall not have the authority to add to, subtract from, or modify any of the provisions of this collective bargaining contract, nor add to, detract from or modify the language therein in arriving at his decision concerning any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

The arbitrator shall not interfere with management prerogatives involving the Board's discretion. He/she shall not limit or interfere with the powers, duties and responsibilities of the Board under Article 5 of this Agreement, applicable law, and state and federal regulations having the force and effect of law.

## **ARTICLE 10**

### **Severance Pay**

Upon retirement while under contract with the Board, teachers of the Olenangy Local School District shall be entitled to thirty percent (30%) of their unused sick leave accumulation up to a maximum of ninety (90) days. The severance benefit must be based on the individual's daily rate of pay at retirement. Upon the death of a teacher who is under contract with the Board, his/her designated beneficiary shall be entitled to thirty percent (30%) of his/her unused sick leave accumulation up to a maximum of ninety (90) days.

"Retirement" shall be defined to mean actual retirement from employment as a teacher and eligibility for retirement benefits under the State Teachers' Retirement System. Daily value shall be determined by dividing basic salary earnings (exclusive of supplemental contracts or overtime) by the basic school year days specified for the position schedule retired from.

## **ARTICLE 11**

### **Cumulative Sick Leave**

#### **A. General Rules Pertaining to Sick Leave**

1. Each teacher shall earn one and one-quarter (1-1/4) days of sick leave per month of employment to a maximum of fifteen (15) days per year. Unused sick leave may be accumulated to three hundred and fifteen (315) days.
2. Each new full-time teacher or teacher who has exhausted all of his sick leave, provided there is reasonable expectation that he will return to work after the sick leave is advanced, shall be credited with five (5) days of sick leave which may be used in case any such teacher is unable to work because of personal illness or death in his immediate family, after beginning his employment but before he has accumulated that amount of sick leave as provided in paragraph 1, above. If any of said five (5) days of sick leave is used, it shall be deducted from the total sick leave which he may accumulate during the first year of service as provided in Paragraph 1, above.
3. Sick leave for regular teachers employed on other than a full-time basis, including job share teachers, shall be credited and deducted at the proportionate rate set forth in their contract of employment.
4. Absences for more than three (3) days on any single occasion may require additional documentation such as a doctor's certificate in the case of illness.

If the supervisor notes a pattern of absence, and has previously presented the pattern to the teacher, said documentation may be requested after one (1) day of absence. The principal and Superintendent or designee shall determine and evaluate such documentation.

5. The filing of any willfully false statement by a teacher shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable, including dismissal.

B. Sick leave with pay may be used only for the following purposes:

1. Teacher's Illness

For absence of the teacher due to illness, pregnancy, injury or exposure to contagious disease which could be communicated to other teachers or school children.

2. Illness in Immediate Family

For the purpose of paragraph 2, immediate family of the teacher is defined to mean the illness of parents, siblings, spouse, children, (inclusive of all step and in-law relations), or any member of the household who has stood in the same relationship with the teacher as any of these. The member of the immediate family must reside in the home of said teacher or live alone outside the home of said teacher, or be without a caregiver and reside outside the home of said teacher. Special circumstances shall be considered by the principal or Superintendent/designee.

3. Death in the Immediate Family

For the purpose of paragraph 3, immediate family of the teacher is defined to mean the death of the parents, siblings, children, spouse, aunt, uncle, niece, nephew, grandparents, grandchildren, (inclusive of all step and in-law relations), or any person who has stood in the same relationship with the teacher. Absence due to a death in the immediate family of a teacher shall not exceed three (3) consecutive school days unless special circumstances (such as travel distance or funeral responsibilities) require additional days. Five (5) days shall be the maximum. Special circumstances shall be considered by the principal or Superintendent/designee.

4. Childbirth

Use of sick leave for childbirth shall be approved for eight (8) consecutive calendar weeks. Certification by a health care provider shall justify a longer period of leave.

5. Spousal Pregnancy Leave

Use of sick leave for a spouse's childbirth shall normally be approved for one (1) calendar week.

A teacher may use sick leave for purpose of spouse's pregnancy for a total of twenty (20) days post-delivery under the following circumstances:

- a. Spouse must return to work immediately due to financial or job-related obligations;
- b. The physical health of the mother and/or child warrants constant care at home which can be verified by physician's statement;
- c. Additional sick days may be granted with documentation by a physician's written statement.

6. Adoption Leave

A teacher may use sick leave for the purpose of his or her adoption of a child for a total of six calendar weeks under the following circumstances:

- a. As a requirement of the adoption agency and/or local, state, national, and international adoption regulations, with documentation from the appropriate agency;
- b. The physical health of the child warrants constant care at home which can be verified by physician's statement.

C. Voluntary Sick Leave Bank

Any teacher may contribute to the sick leave bank program during the month of October of each school year by contributing one (1) sick leave day of the current year's sick leave to the sick leave bank on a form prescribed by the Association President.

The Sick Leave Bank Council (SLBC) shall review and determine the number of days which may be granted. The SLBC shall consist of four (4) members as follows: the President of the OTA, one other OTA member, the Superintendent or designee and the Chief Operations Officer. The decision of the SLBC is final and binding and is not grievable under Article 9 of this contract.

The procedures of the sick leave bank shall be as follows:

1. All teachers may apply for use of additional sick leave days by application to the SLBC by submission of application to the Superintendent or designee.
  - a. The SLBC shall be responsible for developing any forms that may be required and for keeping all necessary records.
  - b. The SLBC shall formulate any regulations deemed necessary for the operation of this program.
  - c. The SLBC shall notify the District Treasurer of the sick leave bank awards. The District Treasurer shall be responsible for the accounting of the sick leave bank days.
2. Teachers may apply for additional sick leave days from the sick leave bank after the following conditions have been met:
  - a. Their own accumulated sick leave days have been exhausted, their advanced five (5) days of sick leave have been used, and they are not eligible for disability leave under State Teachers Retirement System and/or Workers' Compensation;
  - b. The teacher shall submit in writing to the SLBC, the reasons for the request of additional sick leave bank days along with attending physician's statement pertinent to the member's request.
3. Only earned sick leave may be contributed to the bank. Advanced sick leave shall not be contributed to the bank.
4. The maximum number of days that can be granted to any teacher is thirty (30) working days per application. Upon request of the teacher, the SLBC may grant additional sick leave days if the request is justified.
5. Sick leave days shall only be used for the personal illness or injury of the teacher, the teacher's spouse, or a person who stands in the same relationship as the teacher's spouse, or the teacher's child. In the case of spouse or child, the maximum total number of days is thirty (30) working days. These days shall not be granted for any other personal illness or injury, including the individual's immediate family.
6. No recipient shall be required to replace these days.
7. Any sick leave days given to the program shall be forever forfeited by the donating teacher.

8. The OTA or Superintendent or designee, on behalf of the teacher, may also apply for use of the sick leave bank.
  9. Use of the sick leave bank shall not be construed as a condition for disability leave under the State Teachers Retirement System or workers' compensation. Use of the sick leave bank shall not delay the effective date of disability retirement.
  10. The SLBC shall meet and render a decision within ten (10) days of receipt of request.
  11. Unused requested days shall be returned to the sick leave bank.
  12. A teacher will not earn or accrue sick leave while using sick leave bank days.
- D. On a case-by-case basis, when approved by the Chief Operations Officer, sick leave may be converted to personal leave in an emergency situation, including but not limited to court proceedings, travel interrupted by unforeseen circumstances, etc. Documentation may be required.

## **ARTICLE 12**

### **Leave of Absence – Unpaid**

- A. Teachers who have been employed in the Olenangy Schools for three (3) years may be granted a leave of absence for up to one (1) year for the purpose of participating in under-graduate and graduate programs related to his/her professional responsibilities.
- B. Teachers who have been employed in the Olenangy Schools for five (5) years may be granted a leave of absence for up to one (1) year for the purpose of participating in exchange teaching programs, foreign or military teaching program, the Peace Corps, or Job Corps, as a full-time participant in such program and for cultural travel.
- C. Unpaid leaves of absence for non-medical reasons.
  1. Long-term unpaid leaves of absence.

A long-term unpaid leave of absence is defined as an unpaid leave of absence exceeding five (5) consecutive scheduled teacher work days which is not covered by any other provision of this Agreement. A long-term leave of absence can only be approved by action of the Board. The Board may grant a long-term leave of absence for any reason judged good and just by the Board.

2. Short-term unpaid leaves of absence.

A short-term leave of absence is an unpaid leave of absence consisting of one (1) or more consecutive teacher work days not exceeding five (5) days. An unpaid leave of absence sometimes may consist of a combination of personal leave days (which themselves are governed by Article 13) and one (1) or more unpaid leave days, not exceeding a total of five (5) unpaid leave days. Unpaid leave of one (1) to five (5) days per occurrence (an "occurrence" being consecutive days of absence) may be approved by the Superintendent or designee for compelling personal or other reasons.

Sometimes teachers may need one (1) or more unpaid leave days which, when used with one (1) or more personal leave days, will result in a total of two (2) to eight (8) consecutive days of absence. An absence of two (2) to eight (8) consecutive teacher work days using one (1) or more unpaid leave days, with or without one (1) or more days of personal leave will be approved by the Superintendent or designee, but only on the following basis:

- a. The teacher has at least five (5) consecutive years of active teaching (consisting of at least 120 days on the job) for Olentangy immediately preceding the school year for which the request is made;
- b. The teacher may only seek such a leave once every five (5) years; and,
- c. The teacher must have an absence rate of no greater than an average of seven (7) days during the last three (3) years and no greater than seven (7) days pro rata during the school year in which the leave request is made (up to the date when the request for leave is submitted). Professional leave, jury duty, military leave, Association leave, and long-term medical leave will not count as absenteeism for this purpose; all other leaves, whether approved or unapproved, shall count as absenteeism for this paragraph.

3. Request for unpaid leave of absence shall be submitted by the teacher in writing to the Chief Operations Officer, with a courtesy to the Principal. The Chief Operations Officer shall provide written notice of approval or disapproval of the request within ten (10) school days of the Director's receipt of the request.

- D. Application shall be made through the Superintendent or designee with final approval to be made by the Board, except as provided in subsection (C) (2) and (C) (3) above.
- E. Application for a leave of absence shall be submitted to the Superintendent or designee as far as possible in advance of the leave. The availability of a

replacement and the best interest of students are key factors in considering leave of absence requests.

- F. A teacher may continue his/her insurance coverage by paying one hundred percent (100%) of the total cost for such benefit during a leave of absence.
- G. A teacher returning from a leave of absence shall be restored to his/her position or to a position in the same field of certification. Every effort will be made to accommodate the wishes of the teacher.

H. Family Medical Leaves and Absences

Pursuant to the terms of the Family Medical Leave Act of 1993 (hereinafter FMLA), a teacher who has worked for the Board for at least twelve (12) months is eligible for twelve (12) work weeks of Family Medical Leave during a twelve (12) month period (will be "rolling" twelve (12) month period measured backwards from the date a teacher uses any FMLA leave), provided the teacher worked at least 1,250 hours in the twelve (12) months preceding the beginning of the leave.

1. Types of Leave

An eligible teacher may take FMLA leave for:

- a. the birth and first-year care of a child;
- b. the adoption or foster placement of a child;
- c. the serious illness of a teacher's spouse, parent or child; and
- d. the teacher's own serious health condition that keeps the teacher from performing the essential function of his/her job.

A teacher may elect, or the Board may require, a teacher to use accrued paid vacation, personal or sick leave for purposes of a family leave. A teacher cannot compel the Board to permit the teacher to use accrued medical/sick leave in any situation which the leave could not normally be used. Use of sick leave for childbirth shall normally be approved for six consecutive calendar weeks during the teacher work year. Certification under paragraph six (6) below can justify a longer period of leave for childbirth.

2. Spouses Employed by the Board

If a teacher and spouse eligible for leave are employed by the Board, their combined amount of leave for birth, adoption, foster care placement and parental illness may be limited to twelve (12) weeks. A teacher may not

take FMLA leave to care for a parent in law. However, this time limitation does not apply for leave for personal illness or illness of a spouse or child.

3. Intermittent and Reduced Leave

Intermittent leave is leave taken in separate blocks of time due to a single illness or injury. Reduced leave is a leave scheduled that reduces teacher's usual number of hours per workweek or hours per work day. Intermittent or reduced leave is available only for the teacher's own serious health condition or to care for a seriously ill spouse, child or parent. Such leave may not be used for the birth or adoption/placement of a child.

The teacher who wishes to use intermittent or reduced leave must have the prior approval of the Board. Although the Board and teacher may agree to an intermittent or reduced leave, the teacher who uses family leave is not automatically entitled to use such leave on an intermittent basis or on a reduced leave schedule. Because of potential disruption to the academic process, all requests for intermittent and reduced leave will be carefully scrutinized for their impact on the operations of the classroom/school.

The Board may provide such leave for medical leave, but the Board may require the teacher to take leave in a block for the entire period during which the leave would extend or the Board may transfer the teacher to a position which is equivalent, but more suitable for intermittent periods of leave. The teacher must furnish the Board with the expected dates of the planned medical treatment and the duration of the treatment. The Superintendent or designee must authorize such leave in writing, or offer the teacher an equivalent alternative job for intermittent or reduced leaves, or require the teacher to take leave in a block period so as not to disrupt the Board's operations.

4. Benefits

The Board will maintain the teacher's health coverage under the Board's group health insurance plan during the period of FMLA leave. The teacher should make arrangements with the Board to pay the teacher's share of all applicable health insurance coverages prior to the beginning of the FMLA leave.

The teacher will not lose any other employment benefit accrued prior to the date on which leave began but is not entitled to accrue seniority or employment benefits during the leave period. Employment benefits could include group life insurance, sick leave, annual leave, educational benefits and pensions.

5. Notice

When FMLA leave is foreseeable, the teacher must notify the Board in writing of his request for leave at least thirty (30) days prior to the date when the leave is to begin. If the leave is not foreseeable, the teacher must give notice as early as is practical. When the teacher requests medical leave, the teacher must make reasonable attempts to schedule treatment so as not to disrupt the Board's operations.

The Board may deny the leave if the teacher does not meet the notice requirements.

6. Certification

The Board may require the teacher to provide certification from a health care provider containing specific information required under the law if he requests a medical leave. If there is a question concerning the validity of such certification a second (2<sup>nd</sup>) and, if necessary, a third (3<sup>rd</sup>) opinion can be required, both at the expense of the Board.

7. Restoration

When the teacher returns from the leave, the Board will restore the teacher to the same or an equivalent position with equivalent benefits, pay, terms and conditions of employment in accordance with Board policy.

8. Instructional Teachers

Special leave rules apply to instructional teachers. Instructional teachers are those teachers whose principal function is to teach and instruct students in a small group, or an individual setting. This term includes teachers, athletic coaches, counselors, librarians, special education teachers, and certified teaching assistants. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists. It also does not include cafeteria workers, maintenance workers and bus drivers.

Limitations apply to instructional teachers who take intermittent or reduced leave. If the leave requested is:

- a. to care for a family member; or
- b. for the teacher's own serious health condition; and
- c. is foreseeable based on planned medical treatment; and

- d. the teacher would be on leave for more than twenty percent (20%) of the total number of working days over the period the leave would extend,

then the Board may require the teacher to choose either to:

- a. take the leave for a period or periods of a particular duration, not greater than the planned treatment; or
- b. transfer temporarily to an available alternative position for which the teacher is qualified, which has equivalent pay and benefits, and which better accommodates recurring periods of leave than does the teacher's regular position.

Limitations also apply to instructional teachers who take leave near the end of a semester. When an instructional teacher begins leave more than five (5) weeks before the end of a semester, the Board may require the teacher to continue taking leave until the end of the semester if:

- a. the leave will last at least three (3) weeks and;
- b. the teacher would return to work during the three (3) week period before the end of the semester.

When a teacher begins leave for a purpose other than the teacher's own serious health condition during the three (3) week period before the end of the semester and the leave will last more than five (5) working days, the Board may require the teacher to continue taking leave until the end of the semester if:

- a. the leave will last more than two (2) weeks and;
- b. the teacher would return to work during the two (2) week period before the end of the semester.

When a teacher begins leave for a purpose other than the teacher's own serious health condition during the three (3) week period before the end of a semester and the leave will last more than five (5) working days, the Board may require the teacher to continue taking leave until the end of the semester.

## 9. Failure to Return

The Board is entitled to recover health care premiums paid during the leave if the teacher fails to return because of the continuation, recurrence, or

onset of a serious health condition or due to circumstances beyond the control of the teacher.

10. Rights Under the Family and Medical Leave Act of 1993

FMLA requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Teachers are eligible if they have worked for the Board for at least one year and for 1,250 hours over the previous twelve (12) months, and if there are at least fifty (50) employees within seventy-five (75) miles.

a. Reasons for Taking Leave. Unpaid leave must be granted for any of the following reasons:

- to care for the teacher's child after birth, or placement for adoption or foster care;
- to care for the teacher's spouse, son or daughter, or parent, who has a serious health condition; or
- for a serious health condition that makes the teacher unable to perform his job.

At the teacher or Board's option, certain kinds of paid leave may be substituted for unpaid leave.

b. Advance Notice and Medical Certification. The teacher may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.

- The teacher ordinarily must provide thirty (30) days' advance notice when the leave is "foreseeable."
- The Board may require medical certification to support a request for leave because of a serious health condition, and may require second (2<sup>nd</sup>) or third (3<sup>rd</sup>) opinions (at the Board's expense) and a fitness for duty report to return to work.

c. Job Benefits and Protection.

- For the duration of FMLA leave, the Board must maintain the teacher's health coverage under any "group health plan."

- Upon return from FMLA leave, most teachers must be restored to their original or equivalent positions with equivalent pay, benefits and other employment terms.
  - The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of a teacher's leave.
- d. Unlawful Acts by Employer. FMLA law makes it unlawful for any employer to:
- interfere with, restrain, or deny the exercise of any right provided under FMLA;
  - discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.
- e. Enforcement
- The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.
  - An eligible employee may bring a civil action against an employer for violations.

FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

## **ARTICLE 13**

### **Personal Leave**

- A. Three (3) days per year are available to full-time teachers for personal leave.
- Personal leave for teachers employed on other than a full-time basis, including job share teachers, shall be credited and deducted at the proportionate rate set forth in their contract of employment.
- B. Personal leave usage is available with the following guidelines:
1. All personal leave is dependent on the availability of a substitute or other arrangements for covering the teacher's responsibilities. The following restrictions apply to personal days taken on student days only. The

teacher's building principal will make this judgment; however, personal leave shall not be approved if it is then known that more than ten percent (10%) of the bargaining unit members in a building (rounded up to the nearest whole person), excluding long-term leaves of absence which exceed five (5) consecutive scheduled teacher work days, will be absent on a student day for which personal leave is requested. On and after April 15, the applicable percentage for the previous sentence will be five percent (5%) of the bargaining unit members in a building (rounded up to the nearest whole person), excluding long-term leaves of absence which exceed five (5) consecutive teacher work days. The five percent (5%) rule also applies the student day before and after Thanksgiving, Winter and Spring breaks. Approval will be on a first-come/first-served basis, as approved by the building principal or designee and by the central office administration.

2. Normally, a personal leave request must be presented, in writing, twenty-four (24) hours in advance of its being taken. If an emergency situation exists, the twenty-four (24) hour period and the ten percent (10%) or five percent (5%) limitation may be waived.
3. Unused personal leave may be accumulated up to five (5) days beginning in the 2017-2018 school year. No more than three (3) consecutive personal days may be used in any contract year. No more than five (5) total days may be used in any contract year.
4. The teacher shall have the option of one of the following:
  - a. converting unused personal days to sick leave days, or;
  - b. may be reimbursed for up to three (3) personal days at the casual substitute rate per day, or;
  - c. roll-over a maximum of two (2) personal days to the next contract year.

The bargaining member must provide written petition to the Treasurer of the Board by the final teacher work day. Checks will be sent out not later than the first pay in July.

5. For proration purposes, a teacher hired during the first sixty (60) days of the school year on regular contract shall have three (3) days of personal leave that school year; a teacher hired from the sixty-first (61<sup>st</sup>) to one hundred twentieth (120<sup>th</sup>) day shall have two (2) days of personal leave that school year; a teacher hired on or after the one hundred twenty-first (121<sup>st</sup>) day shall have one (1) day of personal leave that school year.

## **ARTICLE 14**

### **Professional Leave**

At least one (1) professional day per year per teacher shall be approved in accordance with the written policy established by the Board, when approval does not adversely affect the overall education process, and sufficient funds are available in the budget.

## **ARTICLE 15**

### **Sabbatical Leave**

A teacher, upon written request to the Board, may be granted up to one (1) school year with part pay and insurance benefits as though he or she were not on leave. The request shall be submitted by April 1 of the preceding school year for which the leave is requested unless the Superintendent or his/her designee waives this requirement. Sabbatical leave is designed to encourage the improvement of instruction, supervision, and administration, and may be granted with the following provisions:

- A. To be eligible the teacher must have completed five (5) years of service in the Olentangy Local School District.
- B. The teacher shall submit a written plan of professional improvement to the Superintendent. Such plan shall be approved by the Superintendent prior to Board approval. Within sixty (60) days upon return from sabbatical leave, the teacher shall file a written report with the Superintendent indicating the use of leave as proof that the plan of professional improvement was followed.
- C. No more than three (3) teachers shall be granted sabbatical leave at a given time. Teachers requesting a sabbatical leave will be notified as to the approval or disapproval of leave within thirty (30) days of the date of submission of the request. At the time of notification, the teacher will be notified of the amount of salary to which he/she would be entitled if not on leave.

The part salary received while on leave shall be the difference between the teacher's regular salary for the next school year and the salary of the teacher employed for the teacher on leave. Such payment will be made according to one of the regular payroll plans beginning with the first paycheck of the school year in which the leave commences.

- D. A year of sabbatical leave shall not count as a year on the salary schedule, but will count for purposes of length of service in the District which will count as employment/service for purposes of Article 27.

- E. An additional sabbatical leave may be applied for in accordance with the provisions of this Article after an additional five (5) years of service in the District subsequent to the previous sabbatical leave.
- F. As a condition of being granted sabbatical leave, the teacher must agree to teach in the Olentangy system for a period of at least one (1) year upon returning from leave. Failure to do so will require the teacher to refund to the Board all payments, including fringe benefits, received from the Board during the leave period. Such refund shall be made within a four (4) month period of time beginning with the first full month said teacher was to have returned to duty. Such time limit may be extended by agreement of the Board with a request by the teacher to do so. If the teacher fails to complete the approved plan, full reimbursement of Board paid benefits will be required.
- G. Teachers returning from sabbatical leave will where possible be returned to the same or similar assignment held prior to such leave. The teacher who is certified in more than one area will, to the extent possible, be returned to a position in the same area of certification held prior to the leave.

## **ARTICLE 16**

### **OTA Partnership**

- A. The Board, when requested by the OTA President, will provide professional leave for the members of the Olentangy Teachers Association (OTA) to attend Association conferences/business, not to exceed a combined total of sixteen (16) days. The OTA Negotiations Team may also use paid leave days for the actual time of negotiation sessions. When negotiation sessions are held during the school day substitute teachers will be provided for the OTA team.
- B. The Board will provide the President of the Association with release time under the following conditions:
  - 1. The Association President shall be entitled to full-time release.
  - 2. The President will suffer no loss in salary, fringe benefits, or other contractual or statutory advantages to which the President would have been entitled if working full-time.
- C. The Board will provide the Treasurer of the Association with release time under the following conditions:
  - 1. If the Association Treasurer's building is organized on a class period schedule, the Association Treasurer's schedule shall have two (2) fewer

class periods than he/she would have been assigned if not Association Treasurer.

2. If the Association Treasurer's building is not organized on a class period schedule, the Superintendent or designee and Association Treasurer shall attempt to arrange a job share or some other arrangement comparable to an assignment reduction as in C.1., above.
3. The Association Treasurer will suffer no loss in salary, fringe benefits, or other contractual or statutory advantages to which the Association Treasurer would have been entitled if working full-time.

D. 1. Under Section B of this Article, if a teacher is employed to replace the OTA President on leave, the Association will reimburse the Board for those days that are used by the President at the rate of pay for the replacement's pro-rata share of salary, STRS and average insurance cost based on a BA-0 teacher placement on the salary schedule. Release time under paragraph B for the Association President will be continued into the succeeding school year only if the Association notifies the Board of such by no later than June 1.

2. Under Section C of this Article, if a teacher is employed to replace the OTA Treasurer on leave, the Association will reimburse the Board for 1/4<sup>th</sup> of teacher's salary based on a BA-0 teacher placement on the salary schedule. Release time under paragraph C for the Association Treasurer will be continued into the succeeding school year only if the Association notifies the Board of such by no later than June 1.

E. Any extended time, supplemental contract position, or stipend position held by the Association President/Treasurer shall not be subject to the release time provisions of this Section.

F. Release time taken shall count as employment/service in the District for purposes of advancement on the salary schedule and for length of service in the district.

G. Consistent with Ohio Administrative Code Rule 3307-6-01, the amounts paid as compensation to the Association's officers under their contract(s) of employment with the Board for service to the Association during any release time under Sections (A), (B), and (C) above shall constitute teaching service for purposes of Chapter 3307 of the Ohio Revised Code. This section (G) shall not have the effect of the Board paying Association officers or STRS more than the Board would have been obligated to pay to the officers or to STRS pursuant to the officers' individual contracts with the Board issued in accordance with O.R.C. 3319.08.

## **ARTICLE 17**

### **Length of Teacher Day**

- A. The regular on-duty teacher work day shall not exceed seven (7) hours and forty (40) minutes, except when an emergency situation requires the teacher to stay longer. No regular teacher work day will start before 7:15 a.m. or end after 4:05 p.m. All teachers contracted for at least six (6) hours per day shall receive a minimum of two hundred (200) minutes of planning, conference and evaluation time per week. Teachers who are contracted for more than three and one-half (3.5) hours per day shall receive planning, conference and evaluation time pro rata to the two hundred (200) minutes weekly for full-time seven (7) hour and forty (40) minute teachers. Also, a duty-free lunch period of at least thirty (30) minutes will be provided daily during the cafeteria hours of operation only to teachers who are contracted for more than three and one-half (3.5) hours daily.
- B. Elementary. Each week, elementary teachers shall be provided with two hundred (200) minutes of planning, conference and evaluation time. Planning time must occur:
- daily;
  - during the student day; and
  - in blocks of no less than thirty (30) minutes. If necessary, one (1) twenty-five (25) minute block is permissible per week.

Grade level teachers shall also be provided one (1) additional fifty (50) minute collaborative grade level planning period per week.

Playground, recess, lunch and bus duties and the like shall be equitably distributed or rotated among teachers in a building. Assistance to teachers who have such duties by persons outside the bargaining unit shall be provided at a level as solely determined by the Superintendent or his/her designee. If the proposed or current schedule does not allow adequate blocks of time for planning within the weekly two-hundred (200) minutes, the Building Scheduling Committee may request that the schedule be reviewed within five (5) workdays and the building principal and the scheduling committee will agree to an appropriate solution.

- C. Middle School. All teachers contracted for at least six (6) hours per day shall have at least forty (40) minutes each student day for planning, conferences and evaluation. All grade level teachers (math, social studies, science, reading, and language arts) shall have a daily team planning period. The daily team planning period shall be used for curriculum purposes among the team members, however, administrators may collaborate with team members during team planning to direct the curriculum discussion and decisions of the team. Home base is assigned to teachers as appropriate. Home base is not considered a preparation and shall be relationship building/interest based rather than curriculum based.

- D. High School. All teachers contracted for at least six (6) hours per day shall have at least one (1) full period each student day for planning, conferences and evaluation.

It is the intent of the joint Collaboration Committee for all teachers to have collaborative time built into the teacher workday each week. Exceptions to this may include traveling teachers and teachers assigned more than six (6) classes. The joint committee will work to eliminate these exceptions in future plans. The joint Collaboration Committee will establish an ongoing plan for collaborative time. By March 1 of each year, either the OTA or the Administration may give written notice to the other party of their intent not to participate in collaboration time for the following school year.

- E. Staff meetings shall not be scheduled outside of the teacher workday with the exception of one meeting per semester, if needed, for middle/high school. If this meeting option is utilized for middle/high school said meeting must be scheduled with at least forty-eight (48) hour notice, including the agenda, and the meeting shall not exceed sixty (60) minutes in length.
- F. Each building will develop a district-approved contingency plan for insufficient substitute coverage and share the plan with staff. The Superintendent or designee shall work with the Association President to create and monitor solutions for situations of insufficient substitute coverage.
- G. Teachers shall not be assigned to more than three (3) buildings per day.

## **ARTICLE 18**

### **Length of School Year**

- A. Effective with the 2018-2019 school year, the school year shall not exceed one hundred eighty-five (185) days, excluding one (1) orientation day for new teachers, and including the equivalent of seven (7) workdays without students. In addition, and with reasonable notice, the teaching staff may be required to attend up to three (3) additional school events (each not to exceed four [4] hours in length) per school year which are pertinent to the building in which they teach the majority of the time. These events could occur within two (2) days prior to or following the student school year.

The workdays without students shall be:

1. The equivalent of at least one (1) day at the beginning of the school year of uninterrupted teacher time.

2. The equivalent of one (1) day at the beginning of the school year of administratively-driven curriculum time.
3. One (1) administratively-driven curriculum workday as determined by the administration.
4. One (1) uninterrupted teacher day at the end of each academic quarter.

B. Effective with the 2019-2020 school year and thereafter, the school year shall not exceed one hundred eighty-five (185) days, excluding one (1) orientation day for new teachers, and including the equivalent of eight (8) workdays without students. In addition, and with reasonable notice, the teaching staff may be required to attend up to three (3) additional school events (each not to exceed four [4] hours in length) per school year which are pertinent to the building in which they teach the majority of the time. These events could occur within two (2) days prior to or following the student school year.

The workdays without students shall be:

1. The equivalent of at least two (2) days at the beginning of the school year of uninterrupted teacher time.
2. The equivalent of one (1) day at the beginning of the school year of administratively-driven curriculum time.
3. One (1) administratively-driven curriculum workday as determined by the administration.
4. One (1) uninterrupted teacher day at the end of each academic quarter. At the principal's discretion, up to two (2) hours of these days may be used for staff meetings or professional development.

C. Elementary Open House

Elementary teachers shall have a late start to accommodate the "meet the teachers/open house" from 4:00 p.m. – 6:00 p.m. on the 2<sup>nd</sup> uninterrupted work day.

In exchange for the open house schedule adjustment, the last elementary student day of the school year shall be a two-hour early student dismissal day to accommodate two hours of uninterrupted teacher time.

D. Upon request by the administration of specific teachers, those teachers may volunteer to work during the school year or in the summer on curriculum-related activities. The days and activities will be determined by the administration with reasonable notice to the teachers who are requested. Each teacher involved will be paid for such days at his or her per diem rate, not to exceed the per diem rate of 1.6145 times the BA Base divided by one hundred eighty-five (185) days.

## **ARTICLE 19**

### **Notification of Teaching Assignment**

All teachers will be notified of their schedule or grade level assignment for the next school year by July 15. The administration will send electronic notice of the change to the teacher (and preferably at the same time or prior to that notice by telephone or in-person conversation) within at least two administration work days of the final decision to change the assignment.

## **ARTICLE 20**

### **Jury Duty**

The Board shall pay a teacher called for jury duty his regular rate of pay. The teacher shall not be required to remit payment from the Court to the School District Treasurer.

## **ARTICLE 21**

### **Vacancies, Transfers and Reassignments**

#### **A. Definitions**

1. A job opening/vacancy is any newly created position or a position which becomes vacant due to death, resignation, retirement, termination, non-renewal, a leave of absence of one (1) or more years, reassignment, or transfer that the Board determines to fill.
2. A reassignment is an assignment of a teacher to another subject area or grade level for the majority of the teacher's assignment or the addition of building(s) to the teacher's schedule.
3. A transfer is a change from one building to another building on a full-time basis.

#### **B. Posting/Notification**

1. As soon as the administration determines that a job opening exists within the bargaining unit, the administration will post such openings electronically.
2. During the summer months, the administration will maintain a list of all vacancies on a daily basis by means of a job "hot line" or website.

3. The posting and/or notification of an opening will include the building(s) of assignment and the grade level(s) and/or subject area(s) to be taught, if known.
4. No opening will be filled for at least five (5) calendar days after posting during the school year.
5. Teachers wishing to apply for any posted vacancy shall submit an electronic application.
6. Vacancies which occur during the school year will be filled on a temporary basis for the remainder of the school year.

C. Voluntary Transfers/Reassignments

1. Any bargaining unit member who has requested a transfer/reassignment will be given consideration for the position prior to a final decision to hire an outside applicant.
2. Normally, teachers on an improvement plan will not be eligible for transfers. Exceptions to this policy will be made on an individual basis at the discretion of the Superintendent/designee.
3. Final assignment will be made by the building principal.
4. All teachers requesting a transfer/reassignment will be notified electronically regarding the outcome.
5. Administrators will give reasons for any denial of a requested transfer or reassignment of a teacher if requested.

D. Involuntary Transfer/Reassignment

1. An involuntary transfer or reassignment of a teacher shall be made in the best interest of the School District and not be made for arbitrary or capricious reasons. Prior to the implementation/notification of an involuntary transfer or reassignment, a conference will be held between the teacher and the Superintendent or designee concerning the pending involuntary transfer/reassignment. If requested, a written notification with reasons shall be delivered to the teacher following said meeting. An involuntary transfer/reassignment of a teacher will occur only after the appropriate administrator has considered filling the position by each of the following methods:
  - a. A voluntary transfer or reassignment; or

- b. By making a part-time teacher full-time.
- 2. No teacher will be transferred into a position for which he/she is not certified/licensed.

- A. A teacher may be absent, with pay, on a day identified through established tradition and doctrine by a duly constituted religious body as a religious holiday, provided the religious body has established that in order to properly observe such day, no work should be performed on the day and provided the employee is an active member of the religious body.
- B. Requests for such absence shall be made in writing to the Chief Operations Officer at least ten (10) school days prior to the holiday. Where the holiday occurs less than ten (10) school days after the beginning of the school year, the request shall be submitted on or before the end of the second work day of the school year.
- C. Such absence shall not exceed one (1) day during a school year.

**ARTICLE 23**

**Fair Dismissal Policy**

- A. 1. Before a recommendation for non-renewal may be taken to the Board, the teacher shall be granted a conference with the principal and the local Superintendent. The teacher shall be notified of such conference at least twenty-four (24) hours in advance and shall be allowed to bring a person of the teacher's choice to said meeting. The Board reserves the right to have legal counsel present at all conferences. Written reasons based on the evaluations completed in accordance with Article 8 and plans for improvement or other documented facts pertinent to those evaluations or written reasons based on documentation of an incident(s) shall be given at this time. The evaluations completed and the plans for improvement must be for the current school year.

2. Non-renewal of a teacher's contract by the Board (if the teacher has served under a limited contract of two (2) or more years' duration) may only be for willful or persistent violation of reasonable regulations of the Board, for inefficiency based on Article 8 above, or for other good and just cause.
  3. The teacher who has completed a multi-year contract in the District may appeal the non-renewal to the final step in the grievance procedure (Article 9). Teachers who have not completed a multi-year contract of employment or re-employment in the District cannot challenge the Board's action of non-renewal provided the provisions of Article 8 are met.
- B. In the case of a teacher whose contract may not be renewed for the following year, the teacher in question must have been evaluated in accordance with the evaluation procedure (Article 8 (A)(1)) of this Agreement. If the teacher in question is not evaluated in accordance with that evaluation procedure, a teacher in the first two (2) years of employment will receive a one (1) year contract. All teachers in the second year and beyond will be issued a contract in accordance with Article 32 (Contract Sequence) of this Agreement. This section does not apply to teachers initially hired and non-renewed in conformity of Article 25.
- C. In unforeseen or extenuating circumstances the evaluation procedure can be revised with the mutual agreement of the Superintendent and OTA President.
- D. This Article 23 supersedes and replaces O.R.C. 3319.111, the references in O.R.C. 3319.11 to O.R.C. 3319.111, and O.R.C. 3319.11 (G) (1-7).

## **ARTICLE 24**

### **Discipline/Reprimands**

A. **General**

No teacher shall be disciplined in writing or reprimanded in writing except for legitimate reasons. Any written or oral disciplinary action or reprimand will be issued professionally and privately via a conference between the teacher, pertinent administrator(s) and an available representative of the teacher's choice. Non-renewal or termination of a teacher's contract (with or without suspension under O.R.C. 3319.16) will not be considered discipline or a reprimand under this Agreement and cannot be the subject of a grievance. No teacher shall be disciplined solely on the basis of an anonymous complaint.

B. **Progressive Discipline**

1. The Board agrees to follow traditional principles of progressive discipline with the usual understanding that some or all preliminary levels may be

bypassed case-by-case depending upon the seriousness of the offense and all relevant surrounding circumstances. The normal progressive sequence is:

- a. Documented warning;
- b. Written reprimand;
- c. Suspension without pay not to exceed ten (10) workdays (by Superintendent/designee);
- d. Termination (with or without a suspension pending the resolution of termination proceedings) in accordance with Section 3319.16 of the Ohio Revised Code and any related statutes.

Starting with the written reprimand in the above sequence, discipline will be for just cause.

2. Any disciplinary action, except for documented warnings and termination proceedings under Section 3319.16 of the Ohio Revised Code, is subject to review under the grievance procedure appearing in Article 9 of this Agreement.

## **ARTICLE 25**

### **Late Employment and Non-renewal**

Teachers hired in August or anytime during the school year shall automatically be non-renewed in April without written reasons. Teachers hired at such time will be given a copy of this contract language. All other assistance given to first-year teachers will be given to the above-mentioned teachers.

## **ARTICLE 26**

### **Reduction in Force**

- A. A reduction in force (RIF) of teachers may occur by reason of decreased enrollment of pupils, for financial reasons in conjunction with reduction of other current operating expenses and after at least one (1) levy failure, return to duty of regular teachers after leaves of absence, or by reason of suspension of schools or territorial changes affecting the District. This Article supersedes and replaces O.R.C. 3319.17 in its entirety.

- B. The Superintendent shall notify the OTA of the specific reasons for, and the nature of, any anticipated staff reductions no less than twenty (20) calendar days prior to Board action on a reduction in force.
- C. The Board shall not act on any proposed staff reductions until after the OTA has had an opportunity to present its views to the Board.
- D. When a reduction in staff is deemed unavoidable, such reduction shall not be carried out until the beginning of the following school year, unless the reduction results from the resignation of a staff member.
- E. If, after the OTA has presented its views, it is deemed necessary by the Board to reduce staff, the Board shall proceed to suspend contracts for teachers who have been evaluated in accordance with the evaluation procedure (Article 8) of this Agreement then within the teaching field of assignment in the following sequence:
  - 1. The Board shall handle all staff reductions first through normal attrition;
  - 2. First-year limited contract teachers shall be reduced by using the following order:
    - a. Licensure/Certification
    - b. Competency as determined by formal evaluation
    - c. When evaluations are comparable, by lowest seniority in the School District
  - 3. Second-year or more limited contract teachers shall be reduced by using the following order:
    - a. Licensure/Certification
    - b. Competency as determined by formal evaluation
    - c. When evaluations are comparable, by lowest seniority in the School District
  - 4. Continuing contracts shall be suspended only after all limited contracts in the teaching field of assignment by using the following order:
    - a. Licensure/Certification
    - b. Competency as determined by formal evaluation

- c. When evaluations are comparable, by lowest seniority in the School District.

F. Displacement Rights

A teacher who is to be suspended and who holds a valid certificate/license in one (1) or more teaching fields other than his/her current assignment, may elect to displace the unit member with a comparable or lesser rated evaluation who has the least seniority in all areas of certification/licensure held by such teacher provided that member has less seniority. The teacher electing to displace another teacher shall displace the least senior teacher, and shall not be afforded the option of choosing a preferable position of a less senior teacher. In no case shall a teacher serving under a limited contract be allowed to displace a teacher serving under a continuing contract.

G. Recall Rights

1. When the administration determines to fill a vacancy, the Board shall give written notice of recall by registered or certified letter and electronically, if possible, to teachers with "comparable evaluations" as defined in Article 8, giving preference first to continuing contract teachers then to the most senior teacher on the recall list at the last known address who holds the certificate or license for the position according to the then-current records of the Human Resources Department. It shall be the responsibility of each teacher to notify the Chief Operations Officer of any change of address or additional licenses.
2. Within ten (10) calendar days of receipt of a written offer to return to employment, the teacher shall notify the Chief Operations Officer of his/her acceptance or rejection of the position by replying in writing. Any teacher who fails to respond within ten (10) calendar days or who declines the position will forfeit all recall rights. After July 10 the teacher shall respond in writing to the written offer within five (5) calendar days.
3. Teachers returning to employment after a RIF shall resume their previous contract status. All rights related to salary, fringe benefits, and seniority shall be fully restored.
4. Recall rights shall continue for two (2) school years for teachers undergoing RIF who are under limited contract. Recall rights shall continue indefinitely for teachers undergoing RIF with continuing contract status. A reduction in force (RIF) will be considered over when all persons on the RIF list have been contacted for re-employment and have either accepted or rejected the offer.

5. The District will provide letters of recommendation on behalf of teachers whose contracts are suspended in a RIF, and will give first consideration to such teachers requesting to substitute in the District.
6. If an offer of recall occurs during a school year and the teacher is employed in another school district, the teacher may accept recall effective with the beginning of the next succeeding school year. The District will use temporary employees to cover the vacant position for the remainder of the year in which the vacancy occurred.

## **ARTICLE 27**

### **Seniority**

- A. Seniority shall be computed from the date of a teacher's continuous, uninterrupted employment with Olentangy Local Schools.
- B. Teachers with continuing contracts shall be deemed senior to all teachers on limited contracts.
- C. Seniority shall continue to accrue for all time a member is on active pay status, on an approved leave of absence, including disability retirement for up to five (5) years, and while a teacher is on the recall list.
- D. When seniority is equal, the tie shall be broken as follows:
  1. Length of total years of teaching experience which shall include all years of prior teaching service outside the District for which the teacher has provided written verification from previous employer(s);
  2. Date of employment by the Board (date of Board meeting at which member was hired);
  3. If shown on the face of the applications of all affected teachers, date application for employment was received by central office;
  4. By competency as determined by formal evaluation.
- E. The Chief Operations Officer shall post the seniority list electronically by October 1 of each school year. The list will include seniority, certification/licensure, and type of contract, and indicate any teachers who are on the recall list. Teachers shall notify the Association President and the Chief Operations Officer in writing by October 15 of any alleged errors in the list. The Chief Operations Officer and the Association President by November 1 shall make any corrections needed and agree on the accuracy of the list. The revised list then will be electronically posted.

The list may not be challenged by grievance or otherwise after November 1. The Board, OTA and teachers shall rely exclusively on the seniority list finalized by November 1 of the current school year, with respect to teaching fields of Licensure/certification as well as seniority, in carrying out a reduction in force and exercising displacement rights.

## **ARTICLE 28**

### **Personnel Files**

The personnel file of each teacher shall be maintained in the office of the Board. Material can only be put in the file by the teacher or appropriate administrator.

A teacher shall have access to his personnel file upon reasonable request. The request must be in writing. All access requests shall be made to the Chief Operations Officer.

All materials placed in the personnel file of a teacher shall include a notation of the date the item was placed in the file and the dated signature of the administrator placing the entry into the file. The professional staff member shall be given a copy of any documented disciplinary action at the time it is placed in his file. Pursuant to Chapter 1347 of the Ohio Revised Code, all materials in the file shall be accurate, relevant, timely, and appropriate as determined by the Superintendent.

A member shall be notified within two (2) business days of a request, excluding authorized District personnel, to see a bargaining unit member's personnel file.

By March 1 of each calendar year, the building Parent-Teacher Conference Committee, in partnership with the building administration, will schedule conferences for the 1<sup>st</sup> and 2<sup>nd</sup> semesters of the following school year. If a consensus cannot be reached by the committee, the final decision will be made by the OTA President and Superintendent/designee.

## **ARTICLE 30**

### **Local Professional Development Committee**

#### **A. Purpose**

A local professional development committee (LPDC) shall be established, in accordance with R.C. 3319.22, to determine whether professional development that a teacher proposes, to complete meets the requirements of the Ohio Department of Education rules on licensure.

F. Appeals Process

If the professional staff member or any four (4) members of the staff are not in agreement with the decision of the LPDC, the first (1<sup>st</sup>) step of appeal will be reconsideration by the Committee. During this appeal process, the professional staff member will present evidence or justification for the coursework/training/outside activities that are under question to the Committee. The Committee will then rule after this reconsideration process. If the professional staff member is still in disagreement with the decision of the LPDC, the appeal then moves on to a three-person panel consisting of the Superintendent or designee, the Association President and a third (3<sup>rd</sup>) member to be selected by the appealing professional. At this appeal level, the professional may again present justification to the three-person panel. The three-person panel decision will be in writing, with explanation as to reasons for acceptance or denial of the appeal. The decision of this three-person panel will be final. The Superintendent or designee shall determine appeals involving non-bargaining unit members.

G. Training

Contagious diseases shall include, but not be limited to, smallpox, diphtheria, scarlet fever, HIV positive and AIDS, mumps, whooping cough, herpes, measles, rubella, typhoid fever, strep and staph infections.

In each case related to this concern, due process requirements, procedural safeguards and confidential treatment of information as permitted by law will be adhered to according to applicable federal, state and local ordinances, statutes and regulations.

Decisions concerning exclusion and/or restriction of a teacher and the disclosure of information should be made on a case-by-case basis. - B. Reports of Suspected Carriers.

All reports of suspected carriers shall be directed to the Superintendent.

All reports of suspected carriers shall be in writing and shall identify the person(s) making the report and shall note the reasons why the reported teacher is suspected of being a carrier.

All costs of the tri-partite panel shall be borne by the employer.

D. Medical Evaluation

Within ten (10) calendar days after a determination has been rendered substantiating probable cause for medical evaluation or if a teacher voluntarily submits to a medical evaluation, a medical review team comprised of (1) a physician specializing in the contagious disease in question, (b) a physician from the appropriate public health district, and (c) the physician designated by the Superintendent as the employer's physician shall be convened by the Superintendent to conduct a medical evaluation of the teacher's condition. The medical review team shall provide for the examination of the teacher, all relevant and pertinent medical information from the teacher's personal physician.

The report rendered by the medical review team shall be restricted to an evaluation of the teacher's medical condition and shall clearly provide:

1. Whether or not the teacher has been infected with a chronic communicable disease as alleged in the report to the Superintendent. If so, then the medical review team shall determine:
  - a. Whether or not the teacher's current medical condition imposes a substantial health risk to others in the school environment and the rationale for the finding. In making that determination, the medical review team shall consider:
    - (1) The nature of the risk of the teacher's medical condition (how the disease is transmitted);
    - (2) The duration of the medical condition (how long is the carrier infectious);
    - (3) The severity of the risk of the medical condition (what is the potential harm to third parties);

All costs of the medical evaluation shall be borne by the employer.

E. Reasonable Accommodation

Within five (5) calendar days of receipt of a medical evaluation report indicating that a teacher's current medical condition imposes a substantial health risk to others in the school environment or prevents the teacher from performing all of the teacher's job requirements, the Superintendent shall provide written notification to the teacher specifying what action the employer shall take to reasonably accommodate the teacher's disabling condition.

Any attempt to reasonably accommodate the teacher's disabling condition shall not violate the existing contract. If the proposed accommodation would violate the contract, the employer shall meet with appropriate representatives of the OTA to negotiate a reasonable accommodation.

**Procedure to Resolve Parent/Teacher Disagreements**

Whenever a complaint is made directly to the Board as a whole, a Board member as an individual, the Superintendent, Principal or other administrator, it will be referred to the appropriate building administrator. A teacher who is the object of a complaint will be informed as soon as possible.

A. Step No. 1 - Direct Conversation

If a parent or community member (complainant) has a disagreement or misunderstanding with a teacher, the complainant should address the concern to the specific teacher directly involved with the circumstances surrounding the concern. The staff member will meet with them as soon as possible, but in no case longer than five (5) calendar days after the teacher has been notified of the concern (subject to change by mutual agreement).

B. Step No. 2 - Fact and Possible Resolution

If the complainant or the teacher is not satisfied with the outcome of Step No. 1, or the complainant or teacher is unwilling to meet independent of an administrator, a meeting with the teacher, appropriate administrator, and complainant will be arranged at a mutually convenient time, but in no case more than five (5) calendar days after the meeting in Step No. 1. This step is to be informal and verbal.

No further action will be taken beyond Step No. 2, unless the complainant submits in writing a signed and dated statement of facts giving rise to this concern, the name of the teacher involved, and the remedy sought.

C. Step No. 3 - Formal Process

If a complainant's concern is not satisfactorily resolved at either the first or second level, the complainant should then refer this concern to the Superintendent in writing. At that time another meeting will be arranged at the convenience of the complainant and staff member directly concerned, but in no case more than ten (10) calendar days (subject to change by mutual agreement). The staff member has the right to be at all meetings with or without a representative as he/she so determines.

Copies of the disposition will be sent to the Board.

D. Dispositions

Dispositions at Step 3 will be sent in writing to all parties within ten (10) calendar days of the meeting with reasons stated.

E. Repeat Concerns

If a complainant believes there has been a repeat of the previous concern, they may go directly to Step No. 3 - "Formal Process."

F. Relation to Other Procedures

This Article does not limit or affect the actions or procedures available to the administration and/or Board based on an investigation of alleged misconduct and an administrative or Board conclusion based on that investigation that action adverse to the teacher is warranted. Any such action against the teacher is subject to applicable laws and other articles of this Agreement.

If a student is removed from the building by an administrator, the student will not be allowed to return to school until a conference is held involving the student, student's parents, teacher(s) involved in the assault, and administrators in charge. The Superintendent may require a medical doctor's statement justifying the continuation of the leave. The Board may require an exam by a physician of its choice, at Board expense.
  - d. A teacher shall not qualify for payment of assault leave until the Assault Leave Form and any requested physician's statement have been submitted to the Superintendent.
  - e. Teachers shall not be permitted to accrue assault leave.
