To Novi Community School District Parents and Community Members:

By now, all of us are becoming more and more aware of the full impact of Governor Whitmer's Executive Order. We are adjusting, but every day we grieve for something that has been lost.

I would encourage us to be sensitive to our children. Listen to them. Watch them. Guide them through this time with patience and love.

Tomorrow, a Frequently Asked Question (FAQ) page will be posted that attempts to answer some of the most pressing questions that you have asked. We don't have answers to everything. But this living document will have answers to what we know right now and will fill in answers as we move forward and learn those answers.

After you see the FAQs if you continue to have questions, feel free to send them to Sheila Holly [sheila.holly@novik12.org](mailto:sheila.holly@novik12.org) or George Sipple [george.sipple@novik12.org](mailto:george.sipple@novik12.org).

Our new Continuity of Learning Plan starts Monday, April 20. Our teachers have been working hard to plan phase 2 of our online learning experience for students. I look forward to this next step in our plan.

Thank you for the support that you are giving to your children and our students. We miss being together.

Steve
