

Dear Families,

Bonjour! Hola! Ciao! Namaste! Salaam! Marhaba! Ni Hau! Hello!

We are excited to reach out to our multilingual families! Your child is identified as “Limited English Proficient.” This means we are providing additional intervention to your child to support his/her learning of the English language! We are passionate about being able to support English Language Learners (ELLs) and their families!

We are working hard in our ELL department on several goals that we have set. One of those goals is to be proactive in our communication with families. We plan to communicate news and updates to you regularly throughout the school year. We hope you find these updates helpful!

[Ohio English Language Proficiency Assessment: February 5 - March 23, 2018](#)

Students who are enrolled in the English Language Learning (ELL) program will begin taking their annual assessments on February 5th. There are four parts to the test: Listening, Speaking, Reading and Writing. Test sections will be given throughout February and March for each grade level. The results of this test are used to determine your child’s ELL services for the 2018-2019 school year. Students who score “Proficient” on this assessment are exited from the ELL Program. **If you have any questions about this assessment, please contact your child’s ELL Teacher.**

Thank you for your time. We look forward to building a successful partnership with you!
