

Kajeet Status Check

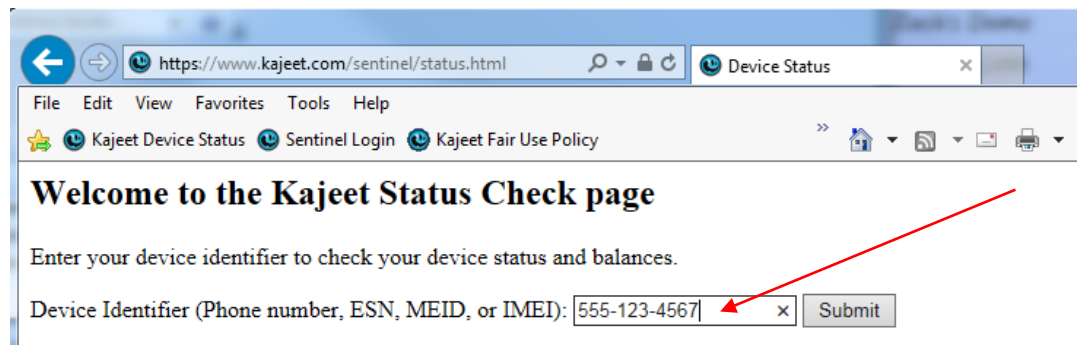

Step 1

Browse to [kajeet.com/status](https://www.kajeet.com/status) to review the current status and/or data usage of a device or to check for a successful Kajeet Internet connection.

Step 2

Enter the MDN, MEID, or IMEI and Click Submit.

Step 3

Verify the Status of the device, the Daily MB usage and Monthly MB usage.

YOUR DEVICE INFO

STATUS : Active

DAILY USAGE

MB Used Today :0.00 MB
MB Daily Limit :10.00 MB

MONTHLY USAGE

MB Used Since (12/28/15) :0.00 MB
MB Monthly Limit :953,674.30 MB

TIP

If you are connected to the SmartSpot® and have a response returned in **Step 3** you know that the device has a successful Kajeet Internet connection.
