Congratulations to all students who received a Student Achievement Award in 2020.

This year, more than 180 students from nearly 70 COBIS schools were given this accolade. The award recognises outstanding individual achievements or contributions to an aspect of school or community life. Students in KS2-5 could be nominated for a number of reasons, including:

- Exceptional academic achievement
- Outstanding effort
- Commitment to a charitable cause/environmental sustainability

We would like to thank [CPOMS](#) for sponsoring the Student Achievement Awards 2020.

CPOMS is a system for monitoring child protection, safeguarding, SEND and a range of pastoral and welfare issues. Staff are given appropriate levels of access to match their level of involvement with the relevant concerns. Using CPOMS, schools can ensure that students are safe and fully supported, whilst safeguarding leads and school staff can focus on teaching and providing support, instead of administration.
