How will YES Prep grade equitably during closure?

Closing out A5 (February 18th - April 13th, 2020)

Closing Out A5: Policy

- For A5, grades will be finalized based on assignments completed prior to Spring Break.
- No grades on assignments completed after March 12 will be assessed for A5.
- Assignments not completed during A5 will be excused. Any assignments that **could have been reassessed** will be graded at a 70, if the original grade was a 69 or below.
- You can check grades in the [Home Access Center](#) at any time.

During A6 (April 6th - May 22nd, 2020)

Grading During Keep YES Prep Learning: Policy

- For A6, students will receive equally-weighted, achievement-based grades on assignments based on the mini-lessons in each class.
- Grades in A6 **can only improve** students' scores for the semester; as such, we encourage students to correct their work, but we will not offer graded reassessment opportunities. Common Assessment 2 will still count as 7% of the semester grade, with the exception of courses that did not test prior to closure.

Grading During Keep YES Prep Learning for Students in Special Populations: Policy

- For students in special populations, students will be graded on assignments on the same timeline in A6 and only on assignments with the appropriate accommodations, modifications, and supports.
- Grades in A6 **can only improve** students' scores for the semester; as such, we encourage students to correct their work, but we will not offer graded reassessment opportunities.

We have not yet decided on how grading during closure currently impacts GPAs
