

SENIOR SERVICE DAY 2020

Below are some of the agencies that you would have been volunteering at. I encourage you to consider making a **donation** since many of these non-profits are struggling right now. Consider picking an agency where you think you would have volunteered. The best part about selecting where you volunteer for Senior Service Day is learning about lots of different agencies in Austin.

SUPPORT

Below are the retirement centers that were also participating in Senior Service Day. Consider sending cards and write letters to:

- [Belmont Village](#)
- [Ledgestone Senior Living](#)
- [Brookdale Westlake Hills Senior Living Community](#)

SERVE

Service around your home and neighborhood:

- Ask your parents what chores you could do.
- Pick a chore on your own.
- Mow a neighbor's lawn (and your own too)
- Trim overgrown shrubs for someone.
- Take a family walk and pick up any trash you find
- Find 10 items/clothes to donate
- Learn to make masks for those in need
- Chalk encouraging messages in front of your house or your neighbors

SHOW GRATITUDE

Consider sending gift cards to staff at ARC locations where most of the Covid-19 testing is happening. You could also pick any ER or ICU department. We have been told that St. Davids south and Seton main are getting the majority of the Covid-19 patients but as we know any medical establishment is working and deserving. A suggestion from one hospital said to indicate that you would like your gift card donation to be raffled to a custodian, food worker or trauma tech as they are often overlooked. If you know someone working in one of these areas, reach out to them and see how you can help. And don't forget to thank them! With this type of gifting, we also just have to trust it will end up in the right hands.

Another suggestion is to send thank you cards to all these amazing people.
