

DEAF and HARD OF HEARING DOCUMENTATION GUIDELINES

Students seeking academic and/or non-academic accommodations at Wingate University must self-declare a disability and provide supporting documentation as a first step in requesting reasonable accommodations. The documentation will be reviewed by the staff of Disability Support Services to establish eligibility for services. All documentation will be kept confidentially and in a secured location. In order to receive accommodations, the documentation must demonstrate that you have an impairment or condition that substantially limits functioning in one or more major life activities.

Accommodations and services are based upon assessment of the current impact on academic performance or access to the University's programs, facilities and services. IEPs, 504 plans and summary letters if provided as the only documentation are usually insufficient. Applicants are encouraged to provide comprehensive documentation to facilitate the process of determining eligibility for services in a timely manner.

Wingate University Office of Disability Support Services will make the final determination of whether appropriate and reasonable accommodations are warranted and can be provided for the student. **Students with disabilities are expected to satisfy the academic standards required by the college.**

REQUIRED DOCUMENTATION

1. An audiogram indicating the severity of the hearing impairment must be provided by a licensed audiologist.
2. If specific recommendations of accommodations are made, the rationale must relate each **accommodation** to the functional limitations imposed by the disability.
3. If other disabilities are present, please provide additional reports.
