Good Morning Tigers,

How long has it been since our last morning message? Too long. I'm missing our days together and, if I was honest, am a bit heartbroken after learning we won't have a chance to finish the school year together like normal. I'm still processing that news as we work to prepare for how we can learn at home for the remainder of the year.

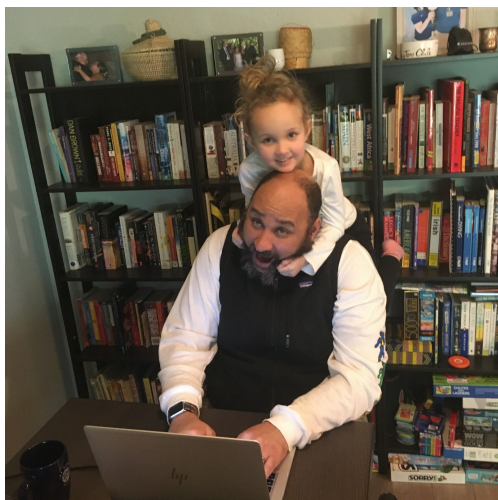

I've been spending time at home with my wife and daughter. We've enjoyed playing games, reading books and building forts. I have really enjoyed trying out new recipes and have successfully created the best french recipe ever, says me. I also celebrated my birthday last week! We made a seafood feast and cupcakes.

I've enjoyed getting messages from some of you and I want to encourage you to use your school email. It will be a great way for us to stay connected.
