Debbie Weilbacher (Pin - Sta)
Larry Queen (Stb - Z)

Mission Statement:
The mission of Quartz Hill High School is to produce responsible citizens who are able to communicate effectively, set and achieve realistic goals, and become lifelong learners.
Advanced Placement & International Baccalaureate
Quartz Hill High School offers Advanced Placement courses as well as being recognized as an International Baccalaureate Diploma School. This year’s senior class has had the opportunity to participate in AP and IB classes throughout their four years at Quartz Hill High School. Both the AP and IB Programs at Quartz Hill High School offer students challenging, advanced level classes in the academic areas of English, foreign language, science, mathematics, social science and the arts. These courses and their requisite Honors courses constitute the most rigorous course of study offered at our school. Quartz Hill High offers 54 AP sections, 12 IB sections and 71 Honors sections. The highest level of Math offered is Calculus BC/AP and AP Statistics with the highest level of Science classes being AP Physics, AP Chemistry, Biology IB/HL2, AB Biology, and Environmental Science AP.

AVID – Advancement Via Individual Determination
AVID addresses the needs of students “in the middle” who have been identified by their core teachers or counselors as having the potential to be successful in a rigorous college preparatory program. The course provides the support and encouragement necessary for students to be successful, employing WIC-R strategies (writing to learn, inquire, collaboration, reading), tutorials, study skills, time management skills, test preparation strategies for the PSAT, SAT, and ACT, college visitations, and motivational speakers. Students are taught Cornell note-taking skills and are required to maintain a well organized three-ring binder containing notes, calendars, learning logs, assignments, etc. They participate in collaborative projects which require higher-level thinking skills and problem solving.

Industrial Technology Department
PLTW – Project Lead the Way:
The Project Lead the Way (PLTW) pathway to engineering curriculum is designed as a four-year high school sequence taught in conjunction with traditional math and science courses. The program is divided into rigorous, relevant, reality-based courses, including: Introduction to Engineering Design, Digital Electronics, and Principles of Engineering, plus capstone courses (e.g., Aerospace Engineering, Civil Engineering and Architecture).

*Quartz Hill’s Television and Video Academy:
Quartz Hill’s Television and Video Academy is a program designed around teaching students the nuances of Film and Video production with the use of Graphic Design, incorporating elements from 3D-Design, animation, particle rendering, as well as Live Video Broadcasting/Streaming. The overall intent of the program is to prepare the students for not only their future pursuits in the Video and Graphic Design professions, but to also prepare for the real world of work.

ASB – School Culture
Students involved in the ASB Leadership organization are enrolled in an elective class that focuses on five academic strands: communication, personal and social responsibilities, government, service learning, and business. ASB supports extracurricular activities for all students. Quartz Hill High School currently has over sixty-two active clubs and organizations on campus. Many clubs support the cultural diversity present on campus and in the community while other clubs are service oriented or focus on the health and well-being of students. Students and student clubs also participate in large events, including, “Relay for Life”, the “Teen Summit”, and “Red Ribbon Week”, to name a few. The annual Multicultural Assembly produced by the Multicultural Club features students performing dances and musical numbers from their home cultures. This is traditionally the most popular assembly of the year at Quartz Hill High.

Senior Awards Night
At our annual Senior Awards Night last school year, Quartz Hill High School seniors received over $4,576,560 in scholarship monies, including school-based, local, state and national scholarships. In addition, students received numerous non-monetary awards. Quartz Hill High School had 1 student receiving a congressional nomination to attend a military academy and 2 recipients of ROTC Scholarships.

Scholastic Aptitude Test
One measure of student achievement is the students’ Scholastic Aptitude Test scores. The following summarizes the senior class results in mean score averages for the SAT:

<table>
<thead>
<tr>
<th>YR</th>
<th>Math</th>
<th>*ERW</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>2018-2019</td>
<td>481</td>
<td>504</td>
<td>985</td>
</tr>
</tbody>
</table>

Our students scored at or above the California and national average in all three sections.

*(Evidence-Based Reading and Writing)

Advanced Placement Results
In the spring of 2019 - 685 students took a total of 1521 exams. Test 63.0% Scoring 3 or better in one or more exams:

<table>
<thead>
<tr>
<th>YR</th>
<th>Math</th>
<th>*ERW</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>2017-2018</td>
<td>62.4%</td>
<td>54%</td>
<td>305=48.8%</td>
</tr>
<tr>
<td>2016-2017</td>
<td>54%</td>
<td>305=48.8%</td>
<td></td>
</tr>
<tr>
<td>2014-2015</td>
<td>53%</td>
<td>305=48.8%</td>
<td></td>
</tr>
</tbody>
</table>

Quartz Hill Athletics
Quartz Hill participates in the highly competitive CIF southern section. We feature 21 different Varsity sports. In the 51 years of our existence, we have won a total of 330 Golden Championships, including our Girls Tennis team who has won the league title for 27 straight years. Quartz Hill has won several CIF Championships including the 2008 and 2017 CIF football title.
