

Bear Creek Distance Learning Schedule

- The majority of teachers at Bear Creek are using Google Classroom and sharing assignments via their digital classroom and email
- Some teachers have selected to teach virtually via Zoom or Google meets
- We have set up the following schedule by subject/course
- Please note that these are protected times for each subject, but that does not mean teachers will use this time for virtual teaching
- This schedule will go into effect on Monday, April 20th; teachers had previously scheduled zooms and instruction
- Teachers may not take up the entire allotted time
- The blocks are not even; that is because most departments in blocks 1 and 2 are not using zoom or similar tools

		Monday	Tuesday	Wednesday	Thursday	Friday
Block 1	7:30 - 8:30	PE 1/2	Life Science	PE Electives	Physical Science	SDC Electives/Study Skills
