**We are here for you!**

**Each week the RSD speech therapists will provide ideas to increase your child's speech and language development.**

If you have specific questions, please contact your building's speech-language pathologist:

If you would like printed copies of these materials, please contact your child's speech therapist.

# Speech Therapy Ideas

**April 13-17 2020**

## Links and Websites:

- \* *Play based Speech Therapy*
- \* *Articulation and Language Skills at Home*
- \* *Link to Speech Teammate; a website for parents*

## Activity of the Week:

### Make a Sandwich

->Articulation Focus: Identify target sounds and then say them 3 times.

->Language Focus: Identify all the nouns and then the verbs. Talk about the differences.

->Language Focus: Have them cut out the sentences and pictures and match them to make a strip. Then have them put the strips in the correct order.

->Fluency Focus: Have your child read the directions outloud. Then ask them to use smooth speech to tell you the directions in their own words. Praise smooth speech.

Recipe Sequencing: Cut and glue pictures and directions in order.

Sandwich	
	Put two slices of bread on a plate.
	Add lunchmeat.
	Add cheese.
	Add butter, mayo, and/or mustard on the other slice.
	Put slice on top and cut in half with a knife.
	Serve on plate. Enjoy!
