For Students

- **Activity #1** - Song #84 “Walk, Run, Ride a Bike” - Earth Day is this week! Watch the Lyrics video, learn the song, and sing along. Can you tell when the steady beat changes from groups of 4 to groups of 3? Talk with your family about how walking, running, or riding a bike can help the health of the planet.
- **Activity #2** - Song #85 “El Florón” - Watch the Lyrics video, learn the song by repeating in small phrases, and sing along. Play the game with your family: Form a circle. One person is chosen to go into the center and hide eyes. While the song is sung, a flower is passed around the circle. At the end of the song, the person in the center has to guess who has the flower.
- **Activity #3** - Song #87 “Swedish March” - Watch the Lyrics video to learn the song. Watch the Kids Demo video to learn the movements to the song. In the “Interactive Activities” box, do the Interactive Solfa activity to practice labeling your notes, and if you know the note names on the staff, do the Interactive Note activity also to practice naming the notes on the staff using the musical alphabet.
