Family Character Workouts- Tools to connect and build character while at home.

Mixtape

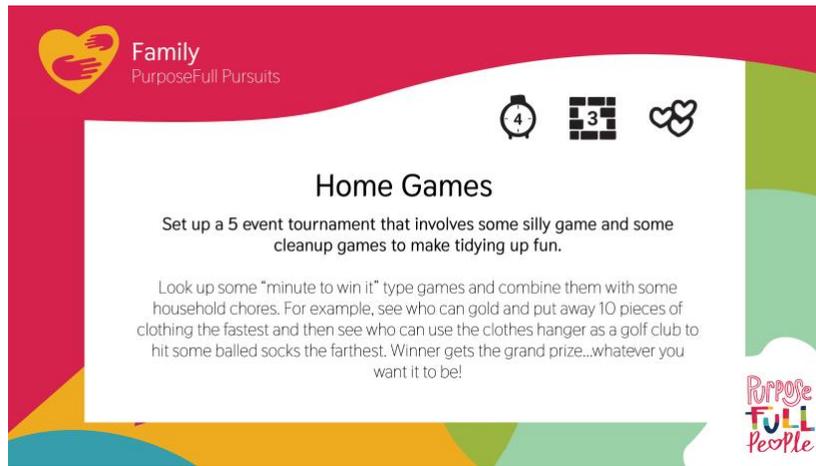

Create a playlist of songs for a family member and send it to them with a note explaining why you chose those songs.

Even if you just find one song online or copy and paste some lyrics that stand out to you, music can be a beautiful way to connect! And, each time they hear that song, they'll think of you (and you of them!)

Purpose Full People

Mixtape

Home Games

Set up a 5 event tournament that involves some silly games and some cleanup games to make tidying up fun. Look up some "minute to win it" type games and combine them with some household chores. For example, see who can go and put away 10 pieces of clothing the fastest and then see who can use the clothes hanger as a golf club to hit some balled socks the farthest. Winner gets the grand prize...whatever you want it to be!
