

Parents/Guardians/Players,

Welcome to the 2020 season of Bountiful Football. This is an unconventional way of doing a “team meeting” but I wanted to virtually get out the information while we’re all practicing our social distancing. We will eventually have an in-person program meeting when I know that restrictions have been lifted and it is safe for us to meet. Please see info below and pay specific attention to the “Team Communication” section. As our schedule changes due to the current conditions, I will be using our team APP to communicate everything. This is a basic overview of program details and the summer calendar. The dates and events for the summer calendar are assuming quarantine restrictions have been lifted. All dates are subject to change depending on local government and school precautions due to COVID-19. I hope this information gets everyone as excited as I am to get playing some football again. Go Braves!
