

HERE'S *the* SCOOP

APRIL 20TH – APRIL 24TH

FAMILY CONNECTION

Hello ILCp and ILCi Families!

We hope that you all are continuing to stay healthy and safe. We miss all of you very much and are stunned that we won't be returning to our normal school routines this year.

Please remember that we are here for you with resources and academic supports for your child. We know it can be difficult to figure out routines and structure during this time at home.

What you are doing is wonderful!

Let us know what we can do to support you!

Ms. Riggs and Ms. Serra

CONTACTS

Ms. Riggs:

carrie.riggs@rentonschools.us

Ms. Serra:

ashley.serra@rentonschools.us

LEARNING ROUTINES

READING: (can be done independently or with support) Students can use the books they are reading at home, either fiction or non-fiction, and seek out specific letters and sight words. They should also read for understanding and understand comprehension elements such as character/setting, main idea, conflict/resolution, supporting details.

WRITING: (as independently as possible) Students should refer to their teacher's writing work. They can practice letter formation, sentence copying, constructing their own sentences, mapping concept ideas and completing the writing process.

MATH: (as independently as possible) Students can work with any of the provided worksheets and complete using their known supports (number line, visuals etc.)

SCIENCE/SOCIAL STUDIES: Please look to your child's grade level for activities.

HELPFUL TIPS

- Provided learning activities are paired with time online in Dreambox, MyON, Raz-kids etc.
- Do short sessions of work and repeat activities frequently.
- The calendar routine is outlined at the start of the schedule.
- Speech, OT, PT, PE, Music and Library activities are provided under their own tabs.
