

Grade 4 Week 3

English Language Arts

Directions:

- **Monday:** Read the passage "Energy from the Sea" and answer questions on page 275. Read "Cooling our Homes" and answer questions about the text on page 276.
- **Tuesday:** Follow the directions and complete page 277 and 278.
- **Wednesday:** Read the draft, use the questions that follow the draft to help you think about the transition words you can add and revise the draft by adding transition words to link ideas on page 279.
- **Thursday:** Reread the passage and answer the questions on page 280.
- **Friday:** catch-up day or choice day.
Go on [Readworks.org](https://www.readworks.org) or Epic (Optional).

Grade 4 Week 3

Mathematics

Every week you will have two chapters to review. Please pace yourself so that on Friday you are only doing Game Time. Please double check Chapter number at the bottom of the packet. Show all your work and have fun.
