

Highline Public Schools
Native Education Program
Online Resources

Good Day Families!

We are greatly missing our time spent with your students and hope you and your families are staying safe and well during this time. We have compiled a list of resources for you and your students. These resources are grouped into the following categories: **Read, Watch, Eat, Do, Move and Learn**, and are specific to our Native Education Program values and goals. *Please do not feel obligated* to assign, teach or participate in these, but instead use this as a resource for anything that might best fit your family during this time. Many, if not all the resources are student friendly and navigable.

Our program will be following up with mailed **bundles** to encourage and assist your students with their creativity in arts, self-expression and exploration during our time out of school.

Please reach out to us with any questions, comments, or concerns.

Sara Marie Ortiz
Native Education Program Manager
