Dear Parents and Staff,

At the moment, our website vendor (Finalsite) is currently experiencing an outage which means our District 95 website is inaccessible. They believe, and it is our greatest hope, that services will be up and running again very soon.

In the meantime, I would like to provide you some temporary links which provide an alternate way to access the PreK-5th grade choice boards as well as Canvas for grades 6-12.

#### **ELEMENTARY INFORMATION**

This should enable your students to continue their eLearning until the website is fully functional again.

*In addition, we would ask that you take this time to update SeeSaw either from the App Store (if using your own device) or from Self Service (if using a district issued device). Technical support contact information is available below if you are in need of help.*

#### **SECONDARY INFORMATION**

For grades 6-12, students can still access Canvas without the website using this URL:

<https://lz95.instructure.com/login/canvas>, or via the app on the iPad.
