

April 16, 2020

Dear District 95 Families,

This Friday night, April 17th, at 8:00 pm Lake Zurich High School will be turning on our stadium lights for 20 minutes to honor our health care workers, first responders, essential workers, students (especially our seniors) and our district staff. We ask that community members turn on their house lights at the same time and hang something in their windows that support any of the above mentioned groups. Please consider taking pictures of your decorated windows and submitting those to our eLearning Digital Scrapbook at <https://www.lz95.org/elearning>.

Weather permitting, we will have a drone take footage of this display between 8:00 pm and 8:20 pm, and post it on our website. Please note the campus remains closed. We are all asked to remain at home in order to adhere to the Governor's Stay at Home order. Instead, please watch for the drone footage to be posted and enjoyed.

Sincerely,

Dr. Kelley Gallt
Superintendent

District 95 Administration Center – 832 South Rand Road - Lake Zurich IL 60047-2459
