April 19, 2020

Dear Mount families,

We hope that the two weeks of Easter vacation have allowed your daughters to recharge and spend quality time away from their screens and with family. As we prepare to return to online learning until at least May 15, as dictated by Governor Murphy, we wanted to provide you with some academic and student life information for the coming weeks.

Prior to the break, we surveyed our students, parents and faculty and staff in order to re-evaluate and assess our progress. The modifications made to our remote learning plan are a result of the survey feedback. Please note that we will continue to re-evaluate our progress periodically to ensure that we are delivering the quality academic program on which we pride ourselves and ensure the well-being of our students. See the Remote Learning document for details.

We continue to be grateful to our faculty and staff for their dedication to our students during this time while juggling their own familial responsibilities. We also want to thank you for your continued partnership with our faculty in keeping our students motivated.

We pray for the health of all of our Mount families during these uncertain times.

Marissa Muoio and Kristen Zosche
Dean of Academics and Curriculum Coordinator
