

# What I miss from school?

Hi Everyone,

This will be for a Facebook post.

We are all missing being at school. Share with us what you miss the most.

- Add a slide
- Add a picture of yourself
- Write what miss.

I can either screenshot your slide, or I can share your picture with the quote if you don't want to get fancy with the slide.

We want our families to see and know that we miss them.
