Try to spend at least 60 minutes outside:

Go for a bike ride

Hike with your family

Walk the dog

Play a game of basketball or frisbee

Any favorite physical activity; Be creative!!

MATH 20 minutes workbook pages and 10 minutes of practicing math facts

Monday	Tuesday	Wednesday	Thursday and	Friday
Do pages 119 & 120. Make sure to write your answer in a complete thought. (Math Book)	Do pages 121&122 Be sure to write your answers in complete sentences.	Do page181 in math book. On a separate page create 2 word problems of your own.	Do page 257 on area. Remember that area is length times width! Create your area model for two digit multiplication.	Play Multiplication War or another multiplication game with a family member. Use a deck of cards: A jack represents 11, a queen is 12, and an ace is 1. Have fun!

READING

New Assignment: In google classroom look for your **Newsela** assignment, you will be doing a reading, writing, and a quiz for each day--Tuesday, Wednesday, and Thursday

Monday	Tuesday	Wednesday	Thursday and	Friday
Check Newsela for: <i>Why do Baby Animals Have Pink Ears?</i> Read, take note on a separate piece of paper, complete the Write and take the quiz last.	Check Newsela for: <i>How Scientists Have Named and Grouped Organisms Over the Years</i> Read, take notes, complete the Write and take the quiz last.	Check Newsela for: <i>What Do We Lose When Animals Become Extinct</i> Read, take notes, complete the Write and take the quiz last.	Finish up anything unfinished from Monday, Tuesday, or Thursday from your Newsela assignments.	FREE READING FRIDAY! Find a great spot at your house, grab your book and enjoy.

Extension: You may also complete another 30 minutes of Lexia as an additional choice.

Writing

- **Monday, Tuesday, Wednesday:** Complete your Newsela writing assignment and quiz posted in your google classroom. Please write a paragraph with at least 5 complete sentences.
- Work on noredink assignments at link below
- On **Friday**, write in your journal. Record your thoughts and feelings. What is happening now has never before happened. You are a part of history. It is important for us to create a record so that future generations can learn from us. As well as for us to go back and remember in the future.

HISTORY (Lesson 3) 30 minutes a day until complete)

Readings: Lesson1 on **Pages 90-99 Explorers and Missionaries**

Read, highlight, circle tricky words and sketch pages 68-75 in your *My World* history workbook.

Google Classroom Assignments to Complete

- vocabulary worksheet
- Comprehension Questions - please write with complete sentences and detail, using the chapter vocabulary
- Complete and turn in Quiz for this chapter on Friday

Supplemental activity ideas: 4th graders can access typing club through google classroom
